# MEET 3940/Fluid Mechanics Applications

#### **Instructor Contact**

Name: Weihuan Zhao Office Location: F115G

Phone Number: 940-369-5929

Class meetings: Lecture, Monday and Wednesday 10:00 - 11:20AM, B140; Lab, Tuesday 9:00AM -

12:50PM, F158

Office Hours: by appointment (in person F115G or via zoom)

Email: weihuan.zhao@unt.edu

Communication Expectations: The instructor will communicate primarily through email and Canvas. Please, use my email to contact me with any questions and I will get back to you within a day. Moreover, feedbacks on assignments will be provided within a week from the due date. All course material will be posted on Canvas. HW will be posted on Canvas. Course announcement and email through Canvas will be used to communicate with the students. All graded HW and exam will be posted on Canvas.

CLEAR has a webpage for students that provides Online Communication Tips (https://clear.unt.edu/online-communication-tips), which instructors can share with students and/or adapt for their own uses.

#### Welcome to UNT!

As members of the UNT community, we have all made a commitment to be part of an institution that respects and values the identities of the students and employees with whom we interact. UNT does not tolerate identity-based discrimination, harassment, and retaliation. UNT's full Non-Discrimination Policy can be found in the UNT Policies section of the syllabus.

### **Course Description**

Study of incompressible fluid mechanics, including pressure, force and velocity; hydraulic fluid power circuits and systems as used in industrial applications

#### Course Structure

The schedule and topics covered are subjected to change during the semester.

Week	Date	Lecture <i>(B140)</i>	Date	Lab <i>(F158)</i>
1	6/6	Syllabus and policy discussion	6/7	
	6/8	Introduction to fluid mechanics and hydraulics (Viscosity of fluid)		
2	6/13	Pressure measurement	6/14	Lab 1: Specific Gravity and Density Measurements of
	6/15	Forces due to static fluids		Solids and Liquids
3	6/20	Continuity equation, Bernoulli's equation	6/21	Lab 2: Viscosity Measurement

	6/22	General energy equation		
4	6/27	Reynold's Number, Major losses	6/28	Lab 3: Hydraulic Systems Experiment
	6/29	Reynold's Number, Major losses (cont.)		
5	7/4	Independent Day – No Class	7/5	
	7/6	Midterm Exam		
6	7/11	Forces due to fluids in motion, Drag and Lift	7/12	Lab 4: Velocity and Pressure measurements in a wind tunnel
	7/13	Forces due to fluids in motion, Drag and Lift (cont.)		
7	7/18	Series pipeline systems	7/19	Lab 5: Drag and Pressure measurements along smooth surface
	7/20	Series pipeline systems (cont.)		
8	7/25	Parallel pipeline systems	7/26	Lab 6: Drag and Pressure
	7/27	Parallel pipeline systems (cont.)		measurements along rough surface
9	8/1	Course conclusion	8/2	
	8/3	Final Exam Review		
	8/8	Final Exam 10:00AM – 12:00PM (B140)		

## Course Prerequisites or Other Restrictions

### **ENGR 2302**

### Course Objectives

(ETAC of ABET Criteria and Program Educational Objectives Supported.)

By the end of this course, students will be able to:

- 1. Identify fluid properties and forces exerted by fluids (ABET 1).
- 2. Describe the different types fluid flow (laminar and turbulent) and types of hydraulic systems (series and parallel) (ABET 1).
- 3. Calculate pressure and forces in general in static fluid; calculate Reynolds number and losses in fluid systems (ABET 2, 3, 5).
- 4. Predict the behavior of a fluid system based on the Bernoulli, continuity, and general energy equations (ABET 1, 2, 3).
- 5. Select the right tabulated experimental data to solve practical problems (ABET 1, 2, 5).
- 6. Be able to perform measurements in a lab environment (ABET 2, 3, 4).

## Textbook

Robert L. Mott and Joseph A. Untener, "Applied Fluid Mechanics", 8th Edition, Pearson, ISBN-10: 0-13-557715-2; ISBN-13: 978-0-13-557715-8

## Teaching Philosophy

This course will teach you fundamentals of fluid mechanics. Practical examples will help you grasp concepts and best practices. A balance between theoretical and practical activities is very important: "He who loves practice without theory is like the sailor who boards ship without a rudder and compass and never knows where he may cast", by Leonardo DaVinci.

It is expected that students interact with the instructor and among themselves, asking questions and participating actively to the class.

As a student in this course, you are responsible for

- reading and completing all requirements of the course in a timely manner,
- · working to remain attentive and engaged in the course and interact with your fellow students,
- and, assisting in maintaining a positive learning environment for everyone.

#### Technical Assistance

Part of working in the online environment involves dealing with the inconveniences and frustration that can arise when technology breaks down or does not perform as expected. Here at UNT we have a Student Help Desk that you can contact for help with Canvas or other technology issues.

UIT Help Desk: UIT Student Help Desk site (http://www.unt.edu/helpdesk/index.htm)

Email: helpdesk@unt.edu

Phone: 940-565-2324

In Person: Sage Hall, Room 130 Walk-In Availability: 8am-9pm

**Telephone Availability:** 

• Sunday: noon-midnight

Monday-Thursday: 8am-midnight

• Friday: 8am-8pm • Saturday: 9am-5pm Laptop Checkout: 8am-7pm

For additional support, visit Canvas Technical Help (https://community.canvaslms.com/docs/DOC-10554-4212710328)

#### Rules of Engagement

Rules of engagement refer to the way students are expected to interact with each other and with their instructors. Here are some general guidelines:

- While the freedom to express yourself is a fundamental human right, any communication that utilizes cruel and derogatory language on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law will not be tolerated.
- Treat your instructor and classmates with respect in any communication online or face-to-face, even when their opinion differs from your own.

- Ask for and use the correct name and pronouns for your instructor and classmates.
- Speak from personal experiences. Use "I" statements to share thoughts and feelings. Try not to speak on behalf of groups or other individual's experiences.
- Use your critical thinking skills to challenge other people's ideas, instead of attacking individuals.
- Avoid using all caps while communicating digitally. This may be interpreted as "YELLING!"
- Be cautious when using humor or sarcasm in emails or discussion posts as tone can be difficult to interpret digitally.
- Avoid using "text-talk" unless explicitly permitted by your instructor.
- Proofread and fact-check your sources.
- Keep in mind that online posts can be permanent, so think first before you type.

See these Engagement Guidelines (https://clear.unt.edu/online-communication-tips) for more information.

## Course Requirements

List all required assignments along with the final grade percentage:

Assignments	Percentage of Final Grade	
Homework	10%	
Quiz	15%	
Midterm exam	25%	
Final exam	25%	
Laboratory reports	25%	
Total Points Possible	100%	

#### Grading

Include the grading scale (A-F) along with the point totals/percentages you will use to calculate the final grade:

A = 85-100

B = 70-84

C = 55-69

D = 40-54

F = less than 40

Late work will be considered only under extreme circumstances and will be heavily penalized. Make-up exams may be granted for excused (i.e. official university) absences.

### Quiz and Exam Policy

- 1. Quizzes and Exams are closed book closed notes.
- 2. There will be NO make-up quiz; There will be NO make-up exams. Exceptions: medical emergency (student and important ones), religious holidays/duty, jury duty and military duty. Evidences must be submitted.

#### Calculator

Graphing calculators will not be allowed during quizzes and exams. Only NCEES-approved calculators can be used (http://ncees.org/exams/calculator/).

#### Acceptable calculators are:

- Casio: All fx-115 and fx-991 models (Any Casio calculator must have "fx-115" or "fx-991" in its model name.)
- Hewlett Packard: The HP 33s and HP 35s models, but no others.
- Texas Instruments: All TI-30X and TI-36X models (Any Texas Instruments calculator must have "TI-30X" or "TI-36X" in its model name.)

#### Course Evaluation

Student Perceptions of Teaching (SPOT) is the student evaluation system for UNT and allows students the ability to confidentially provide constructive feedback to their instructor and department to improve the quality of student experiences in the course.

#### **Course Policies**

#### Attendance Policy

Attendance is crucial for learning CAD, as it requires working with the software and making sure concepts and methods are understood. Students are expected to attend class meetings regularly and to abide by the attendance policy established for the course. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community.

If you are experiencing any symptoms of COVID-19 (https://www.cdc.gov/coronavirus/2019ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Hotline at 844-366-5892 or COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure. While attendance is an important part of succeeding in this class, your own health, and those of others in the community, is more important.

### Face Covering

UNT encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.

#### Late Work

Late work will not be accepted unless the student provides an acceptable excuse confirmed by the Dean's

#### Class Participation

Attendance is mandatory. Lectures, videos, and class discussions will contain vital information needed to do well on the exams.

### Class Participation

Attendance is mandatory. Lectures, videos, and class discussions will contain vital information needed to do well on the exams

Work Late

UNT instructors have the prerogative to accept or not to accept late work. Late work will be considered only under extreme circumstances and will be heavily penalized. Make-up exams may be granted for excused (i.e. official university) absences.

#### Assignment Policy

Assignment instructions are found in Canvas, assignments should be saved as (.pdf only before submission).

If issues due to server unavailability or other technical please contact Student Help Desk and the instructor before the deadline. A ticket should be created and send to the instructor as a proof if pertinent. See below instruction:

The University is committed to providing a reliable online course system to all users. However, in the event of any unexpected server outage or any unusual technical difficulty which prevents students from completing a time sensitive assessment activity, the instructor will extend the time windows and provide an appropriate accommodation based on the situation. Students should immediately report any problems to the instructor and contact the UNT Student Help Desk: helpdesk@unt.edu or 940.565.2324 and obtain a ticket number. The instructor and the UNT Student Help Desk will work with the student to resolve any issues at the earliest possible time.

## Instructor Responsibilities and Feedback

- providing course materials that will assist and enhance your achievement of the stated course goals, guidance,
- providing timely and helpful feedback within the stated guidelines,
- and, assisting in maintaining a positive learning environment for everyone.

### **UNT Policies**

#### Academic Integrity Policy

Academic Integrity Standards and Consequences. According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation.]

### **ADA Policy**

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to each class. For additional information implementation in see the ODA website (https://disability.unt.edu/).

### Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

### **Emergency Notification & Procedures**

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to Canvas for contingency plans for covering course materials.

#### Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. See UNT Policy 10.10, Records Management and Retention for additional information.

#### Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. Visit UNT's Code of Student Conduct (https://deanofstudents.unt.edu/conduct) to learn more.

#### Access to Information - Eagle Connect

Students' access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student's Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail Eagle Connect (https://it.unt.edu/eagleconnect).

### Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at <u>SurvivorAdvocate@unt.edu</u> or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

### Use of Student Work

A student owns the copyright for all work (e.g. software, photographs, reports, presentations, and email postings) he or she creates within a class and the University is not entitled to use any student work without the student's permission unless all of the following criteria are met:

- The work is used only once.
- The work is not used in its entirety.
- Use of the work does not affect any potential profits from the work.
- The student is not identified.
- The work is identified as student work.

If the use of the work does not meet all of the above criteria, then the University office or department using the work must obtain the student's written permission.

Download the UNT System Permission, Waiver and Release Form

#### Transmission and Recording of Student Images in Electronically-Delivered Courses

- 1. No permission is needed from a student for his or her image or voice to be transmitted live via videoconference or streaming media, but all students should be informed when courses are to be conducted using either method of delivery.
- 2. In the event an instructor records student presentations, he or she must obtain permission from the student using a signed release in order to use the recording for future classes in accordance with the Use of Student-Created Work guidelines above.
- 3. Instructors who video-record their class lectures with the intention of re-using some or all of recordings for future class offerings must notify students on the course syllabus if students' images may appear on video. Instructors are also advised to provide accommodation for students who do not wish to appear in class recordings.

This course employs lecture capture technology to record class sessions. Students may occasionally appear on video. The lecture recordings will be available to you for study purposes and may also be reused in future course offerings.

No notification is needed if only audio and slide capture is used or if the video only records the instructor's image. However, the instructor is encouraged to let students know the recordings will be available to them for study purposes.

#### Class Recordings & Student Likenesses

Synchronous (live) sessions in this course will be recorded for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

### Academic Support & Student Services

#### **Student Support Services**

### Mental Health

UNT provides mental health resources to students to help ensure there are numerous outlets to turn to that wholeheartedly care for and are there for students in need, regardless of the nature of an issue or its severity. Listed below are several resources on campus that can support your academic success and mental well-being:

- <u>Student Health and Wellness Center</u> (https://studentaffairs.unt.edu/student-health-andwellness-center)
- <u>Counseling and Testing Services</u> (https://studentaffairs.unt.edu/counseling-and-testing-services)
- <u>UNT Care Team</u> (https://studentaffairs.unt.edu/care)
- UNT Psychiatric Services (https://studentaffairs.unt.edu/student-health-and-wellnesscenter/services/psychiatry)
- Individual Counseling (https://studentaffairs.unt.edu/counseling-and-testingservices/services/individual-counseling)

#### Chosen Names

A chosen name is a name that a person goes by that may or may not match their legal name. If you have a chosen name that is different from your legal name and would like that to be used in class, please let the instructor know. Below is a list of resources for updating your chosen name at UNT.

- **UNT Records**
- UNT ID Card
- <u>UNT Email Address</u>
- Legal Name

\*UNT EUIDs cannot be changed at this time. The collaborating offices are working on a process to make this option accessible to UNT community members.

#### **Pronouns**

Pronouns (she/her, they/them, he/him, etc.) are a public way for people to address you, much like your name, and can be shared with a name when making an introduction, both virtually and in-person. Just as we ask and don't assume someone's name, we should also ask and not assume someone's pronouns.

You can add your pronouns to your Canvas account so that they follow your name when posting to discussion boards, submitting assignments, etc.

Below is a list of additional resources regarding pronouns and their usage:

- o What are pronouns and why are they important?
- o How do I use pronouns?
- o How do I share my pronouns?
- o How do I ask for another person's pronouns?
- o How do I correct myself or others when the wrong pronoun is used?
