## Department of Electrical Engineering

### EENG 6950 – Doctoral Dissertation

#### Instructor

Dr. Xinrong Li

Office: DP B231, Phone: 940-891-6875, Email: [Xinrong.Li@unt.edu](mailto:Xinrong.Li@unt.edu)

#### Class Meetings

N/A; individual meetings only.

#### Office Hours

Meeting appointments may be requested by email.

#### Course Description

To be scheduled only with consent of instructor. 12 hours credit required. No credit assigned until dissertation has been completed and filed with the graduate school.

Doctoral students must maintain continuous enrollment in this course subsequent to passing qualifying examination for admission to candidacy.

(3, 6, or 9 hours)

#### Textbooks

None.

#### Prerequisites

Consent of instructor.

#### Course Objectives

- To obtain research experience in the field of electrical engineering;
- To conduct directed study and independent research that is relevant to the student's dissertation.

#### Grading Policies

- Grading is based on the final report that needs to be submitted at the end of the semester. The report is required to describe in details what topic or problem you have worked on, what the research findings are, what you have learned, and how the work is related to your dissertation research.
