Have you met with your advisor?

- **ALL** students should meet with their Academic Advisor at least one time per semester (Fall & Spring). Update your degree plan regularly to stay on track for a timely graduation.
- All pre-majors **MUST** meet with their Academic Advisor to receive an advising code to register for classes each semester.

Do you want to graduate on time?

- Advisors help you sequence courses correctly for an “on time” graduation. Ultimately, it is a student’s responsibility to ensure they have met all prerequisites before enrolling in a class.
- A prerequisite is a course or other preparation that must be completed before enrollment in another course. All prerequisites are included in catalog course descriptions.
- Students who have not met prerequisites will not be allowed to remain in a course.
- Once classes begin, students often have few, if any, options for adding a different course, which can be an issue for financial aid.

Are You Considering Transferring a Course to Meet UNT Degree Requirements?

Any transfer course(s) from another institution must receive *prior approval* from your CMHT Academic Advisor to ensure that the course(s) will be applicable to your degree plan at UNT.

Advising Contact Information (Chilton Hall 385 – 940.565.4635)

Could you be dropped?

- Students will be dropped for nonpayment for enrolled courses, parking fees, schedule change fees, etc. Please check your account daily through the 12th class day to insure you have not been dropped for non-payment of any amount. It is the student’s responsibility to ensure all payments have been made.
- *Students cannot be reinstated for any reason after the 12th class day regardless of situation.*

Are you receiving financial aid?

- A student must maintain Satisfactory Academic Progress (SAP) to continue receiving financial aid by maintaining a minimum 2.0 cumulative GPA and successfully completing the required number of credit hours based on total registered hours per semester. Students cannot exceed attempted credit hours above 150% of their required degree plan. If a student does not maintain the required standards, the student may lose financial aid eligibility. - A student needing to drop an online course should send their instructor an email with their name, student ID#, reason for dropping the course, and the date you are sending the email. This must be done prior to the UNT deadline to drop a course. If approved, the instructor will contact the Director of CMHT Advising in Chilton 385 where you may obtain a signed drop form. It is your responsibility to turn in the completed drop slip to the UNT Registrar’s office before the deadline to make sure you have been dropped from the course with a “W”. *If you are taking only online courses and your instructor approves the drop, please contact the CMHT Director of Advising for instructions.*

Are you considering transferring a course to meet UNT degree requirements?

Understanding the academic organizational structure is important when resolving class-related or advising issues. When you need problems resolved, please follow the step outlined below:

Do you require special accommodations?

The University of North Texas and the College of Merchandising, Hospitality and Tourism make reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at <http://www.unt.edu/oda>. You may also contact them by phone at 940.565.4323.

Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

Do you know the penalties of academic dishonesty?

Academic dishonesty includes, but is not limited to, the use of any unauthorized assistance in taking quizzes, tests, or exams; dependence upon the aid of sources beyond those authorized by the instructor, the acquisition of tests or other material belonging to a faculty member, dual submission of a paper or project, resubmission of a paper or project to a different class without express permission from the instructors, or any other act designed to give a student an unfair advantage. Plagiarism includes the paraphrase or direct quotation of published or unpublished works *without* full and clear acknowledgment of the author/source. Academic dishonesty will bring about disciplinary action which may include expulsion from the university. This is explained in the UNT Student Handbook. Penalties for academic dishonesty will depend on the seriousness of the offense and may include assignment of an "F" or a numerical value of zero on the subject paper, lab report, etc., an "F" or an "FF" grade (the latter indicating academic dishonesty) in the course, suspension, or expulsion from the University.

 - (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
 - (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Advising Office. The UNT International Advising Office has a form available that you may use for this purpose.
- Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, students should contact the UNT International Advising Office (telephone 940-565-2195 or email international@unt.edu) to get clarification before the one-week deadline.

Do you know what to do in an emergency or UNT closure?

- UNT uses a system called Eagle Alert to quickly notify you with critical information in an event of emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at www.my.unt.edu.
- Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly.
- In the event of a university closure, your instructor will communicate with you through Blackboard regarding assignments, exams, field trips, and other items that may be impacted by the closure. The instructor will post announcement on Blackboard, so please check Blackboard in case of a university closure.

- **Please submit this agreement to Dr. Leung once you have read the syllabus, schedule, the academic conduct policy and other university links provided.**
