All excused absence documents need to be obtained from UNT Dean of Student. Located at UNT Student Union Suite 409 (940-565-2648; deanofstudents@unt.edu). In order to approve your absence is Excused, you have to provide the instructor the documentation the office provide no later than one week after excused absence. The instructor will not accept any other documentations as prove of excused absence. Failure to provide a valid documentation within the time frame will deem it unexcused. If a student has to leave early with any of the reasons listed above, the student should INFORM THE INSTRUCTOR BEFORE THE CLASS STARTS.

9. **COURSE POLICIES**

1) **Face Coverings**

UNT encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.

2) **Attendance**

Students are expected to attend class meetings regularly and to abide by the attendance policy established for the course. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the
professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community.

If you are experiencing any symptoms of COVID-19 (https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.

3) Course Materials for Remote Instruction

Remote instruction may be necessary if community health conditions change, or the instructor need to self-isolate or quarantine due to COVID-19. Students will need access to a webcam and microphone to participate in fully remote portions of the class. Additional required classroom materials for remote learning include: computer and reliable internet access. Information on how to be successful in a remote learning environment can be found at https://online.unt.edu/learn

4) Class Recordings

Synchronous (live) sessions in this course may be recorded per student’s request for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

5) Academic Integrity

Plagiarism is taking credit for someone else’s work whether deliberately or unintentionally. This includes but is not limited to turning in all or part of an essay written by someone else (a friend, an internet source, etc.) and claiming it as your own, and including information or ideas from research material without citing the Source. Feel free to consult with me before completing assignments if you have any questions about what does or does not constitute plagiarism. More generally, please familiarize yourself with UNT Policy 06.003, Student Academic Integrity, which applies to this course. Of course, I do not anticipate any problems with academic integrity. In the unlikely event that any concerns do arise on this score, I will forward all related materials to the Office of Academic Affairs and the Dean of Students Office for an impartial adjudication. Plagiarism is a serious offense and will not be treated lightly. Depend on the seriousness of the offense, it may lead to a numerical value of zero on the assignment, an “F” or an “FF” grade (the latter indicating academic dishonesty) in the course, suspension, or expulsion from the University.

Please note that all written assignments will be submitted using Turnitin plagiarism check on Canvas. The Turnitin similarity report percentage must be less than 25% (Blue or Green color). If higher than or equal to 25%, the assignment will automatically receive a grade of 0. Please check your similarity score and resubmit if necessary.

6) Diversity and Inclusion Statement

Your experience in this class is important to me. If you have already established accommodations with UNT Office of Disability Access (ODA), please communicate your approved accommodations to me at your earliest convenience so I can accommodate your needs in this course.
Furthermore, it is my intent that students from all diverse backgrounds and perspectives are well served by this course, that students’ learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength and benefit. I would like to create a learning environment for my students that supports a diversity of thoughts, perspectives and experiences, and honors your identities (including race, gender, sexuality, religion, disability, socioeconomic status, culture, etc.) To help accomplish this:

- If you have a name and/or set of pronouns that differ from those that appear in your official college records, please let me know (via private email or Canvas discussion forum).
- If you feel like your performance in the class is being impacted by your experiences outside of class, please don’t hesitate to come and talk with me. I want to be a resource for you. Please feel free to contact me (in person or electronically) if you have any suggestions to improve the quality of the course materials. If you prefer to speak with someone outside of the course, the Associate Dean of CMHT is an excellent resource.
- I (like many people) am still in the process of learning about diverse perspectives and identities. If something was said in class (by anyone) that made you feel uncomfortable, please talk to me about it. As a participant in course discussions, you should also strive to honor the diversity of your classmates.
- If any of our class meetings conflict with your religious events, please let me know so that I can make arrangements for you.

11. CMHT Syllabus Policy Statements

COVID-19

**Official Information:** As the situation with the virus continues to evolve, students are required to keep abreast of guidelines via official communication (usually via email) from UNT official announcements.

**Face Coverings**
UNT encourages everyone to wear a face covering when indoors, regardless of vaccination status, to protect yourself and others from COVID infection, as recommended by current CDC guidelines. Face covering guidelines could change based on community health conditions.

**Vaccinations:** If you are not vaccinated, you are urged to get vaccinated as soon as possible to protect yourself, your friends and family, and our campus. Vaccines reduce the chance of experiencing severe impacts and minimize transmission.

**Mandatory testing:** All students, faculty and staff will be required to have a COVID-19 test at designated intervals throughout the semester, beginning with the first testing interval Aug. 16-Sept. 10. Vaccinated individuals can opt out by uploading vaccination proof by Sept. 10. (If you've already uploaded your vaccine information for the incentive program, you'll receive an email asking you for permission to use that proof to opt out of testing.) If you contracted COVID-19 in the last 90 days, you can opt out until the 90 days expires by uploading your positive test result.

**Mandatory self-reporting:** Students, faculty and staff will continue to be required to report symptoms and exposure to COVID@unt.edu, quarantine as necessary and cooperate with UNT's contact tracing team.

**Disciplinary actions for noncompliance:** Students who fail to comply will go through the Student Conduct Process.

**Attendance**
Students are expected to attend class meetings regularly and to abide by the attendance policy established for the course. It is important that you communicate with the professor and the instructional team prior to being absent, so you, the professor, and the instructional team can discuss and mitigate the impact of the absence on your attainment of course learning goals. Please inform the professor and instructional team if you are unable to attend class meetings because you are ill, in mindfulness of the health and safety of everyone in our community.

If you are experiencing any symptoms of COVID-19 (https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html) please seek medical attention from the Student Health and Wellness Center (940-565-2333 or askSHWC@unt.edu) or your health care provider PRIOR to coming to campus. UNT also requires you to contact the UNT COVID Team at COVID@unt.edu for guidance on actions to take due to symptoms, pending or positive test results, or potential exposure.

**Course Materials for Remote Instruction**
Remote instruction may be necessary if community health conditions change or you need to self-isolate or quarantine due to COVID-19. Students will need access to a webcam and microphone, and any other materials deemed essential by your faculty for specific courses, to participate in fully remote portions of the class. Information on how to be successful in a remote learning environment can be found at https://online.unt.edu/learn

**Advising and Degree Progression**

Grade and Class Concerns

Do you know who to contact for a course-related issue?
Understanding the academic organizational structure is important when resolving class-related or advising issues. When you need problems resolved, please follow the steps outlined below:

```
Individual Faculty Member
   Department Chair
      (Dr. Pookulangara if it is a class in MDR, Dr. Williams if it is a class in HTM.)
  Associate Dean (Dr. Kinley), College of Merchandising, Hospitality & Tourism
       Dean (Dr. Hawley), College of Merchandising, Hospitality &Tourism
```

Do you require special accommodations?
The University of North Texas and the College of Merchandising, Hospitality and Tourism make reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Are you aware of safety regulations?
Students are urged to use proper safety procedures and guidelines. In lab sessions, students are expected and required to identify and use property safety guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

Do you know the Academic Integrity Policy?
Academic Integrity Standards and Consequences, UNT Policy 06.003. Academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

Academic dishonesty includes, but is not limited to, the use of any unauthorized assistance in taking quizzes, tests, or exams; dependence upon the aid of sources beyond those authorized by the instructor, the acquisition of tests or other material belonging to a faculty member, dual submission of a paper or project, resubmission of a paper or project to a different class without express permission from the instructor, or any other act designed to give a student an unfair advantage. Plagiarism includes the paraphrase or direct quotation of published or unpublished works without full and clear acknowledgment of the author/source. Academic dishonesty will bring about disciplinary action which may include expulsion from the university. This is explained in the UNT Student Handbook. Your teacher should have a syllabus policy describing penalties for academic dishonesty.

Your instructor may decide to record lectures and/or class content for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

Do you meet ALL expectations for being enrolled in a course?
- CMHT students are expected to meet all prerequisites for the courses in which they are registered.
- Student are expected to be respectful of other students, guests, and faculty. Behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT.
- Students engaging in unacceptable behavior will be directed to leave the classroom and may be referred to the Dean of Students for possible violation of the Code of Student Conduct.
- UNTs expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.deanofstudents.unt.edu.

The College of Merchandising, Hospitality and Tourism requires that students respect and maintain all university property. Students are accountable through disciplinary action for any intentional damages they cause in classrooms. (e.g., writing on tables). Disruptive behavior is not tolerated (e.g., arriving late, leaving early, sleeping, talking on the phone, texting or game playing, making inappropriate comments, ringing cellular phones/beepers, dressing inappropriately).

Feedback and Communications

Image Release
The College actively posts images and descriptions of class and student accomplishments. If you do not want your image posted on the CMHT website and/or social media sites, (1) you should avoid being in group photographs or in photographs taken by your teachers or the IT staff and (2) send an email to TKinley@unt.edu and request that your name and image not be shared. Dr. Kinley will share this information with the IT staff and the faculty who post to social media. Faculty and staff are asked to honor your wishes without question.

If your instructor employs lecture capture technology to record class sessions, students may occasionally appear on video. The recording may be used in future course offerings.

What is SPOT?
The Student Perceptions of Teaching (SPOT) is a requirement for all organized classes at UNT. This short survey at the end of the semester gives students the opportunity to comment on the course. Student feedback is important and is essential as we strive for excellence.

Do you know the date/time of the final exam in this course?
Final exams or other appropriate end of semester evaluations are administered at the designated times during the final week of each long semester and during the specified day of each summer term. Please check the calendar early in the semester to avoid any schedule conflicts. You can find the Final Exam Schedule here: https://registrar.unt.edu/exams/final-exam-schedule

Do you know what you may be missing?
Your access point for ALL business and academic services at UNT occurs within the https://my.unt.edu site, and EagleConnect is the official method of communication for UNT. If you do not regularly check EagleConnect or forward it to your favorite e-mail account, please do so to learn about job and internship opportunities, CMHT events, scholarships, and other important information. The website that explains EagleConnect and how to forward your email is: https://it.unt.edu/eagleconnect.
Do you know what to do in an emergency or UNT closure?

- UNT uses a system called Eagle Alert to quickly notify you with critical information in an event of emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at https://my.unt.edu.
- Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly.
- In the event of a university closure, your instructor will communicate with you through Canvas regarding assignments, exams, field trips, and other items that may be impacted by the closure.

Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT’s Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim’s compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.

Prohibition of Discrimination, Harassment, and Retaliation (Policy 16.004)

The University of North Texas (UNT) prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Canvas online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student’s records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University’s policy. See UNT Policy 10.10, Records Management and Retention for additional information.

**Additional Information**
Are You An F-1 Visa Holder?
To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website (http://www.ecfr.gov/). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:
(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance
To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.

(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
