| Extra Credits: | |
| - Excel review extra credits (5 points each) | (15 points) |
| - Teaching evaluation (SPOT) extra credits | (5 points) |

1) **Exams:** (40% of your total grade) There are three exams during the semester: Exam 1, Exam 2, and Final Exam. Final Exam is cumulative. Exam 1 and Exam 2 have 50 points each, while Final Exam has 100 points in total. All exams are closed-book, but one-page study aid will be allowed. Exam questions will consist of multiple choice, true/false questions, short essay questions, and Excel questions. There will be exam review sessions before exams with extra credit opportunities. Please make sure you attend!

The final exam will follow the university given final exam schedule. For this class, the final examination date is **May 10th, 2018 (Thursday) 8:00 am – 10:00 am**, in the regularly scheduled classroom. The final exam MUST be taken on the scheduled day and time. **NO LATE ADMITTANCE WILL BE ALLOWED ON THE EXAM DAYS.** The instructor will NOT make any accommodations due to your work schedule or other classes (The exception might be given if you have three or more final examinations scheduled on the same calendar day). You will have two hours to complete your final exam.

- **Exam Supplies:** For the exams students must bring the following: #2 Pencil. You are not allowed to use smart devices (phones and tablets). The instructor will not provide supplies for students. The instructor will not grade exams that do not follow instructions including the failure to use a scantron.

- **Make-Up Exam:** There will be NO MAKE-UP EXAM. A schedule of exam dates is given on the first day of class, so that students can be sure to be present on those dates. **Only in excused absence circumstance (See below excused absence policy), a make-up exam will be given.**
  - Providing official documentation of the emergency to the instructor will be required prior to request for the make-up exam. Student Athletes must contact the instructor prior to exam schedule if he/she has an exam scheduling conflict and present proper documentation. The instructor will NOT make accommodation for students on exam due to work schedules, other class schedules, or other obligations.
  - **IMPORTANT:** The instructor will not respond to a student’s email which asks for make-up exam unless the student presented the official documents in advance. The instructor also will not respond to students’ requests for giving extra credits after posting final grades.

2) **Individual Assignments:** (26% of your total grade) There will be Six individual Excel assignments based on Six Excel lectures. Student will also complete 2 in-class practices on paper. Include your full name in Word/Excel file title, and submit them on the due dates (see the tentative schedule; assignments are submitted to Canvas by **11:59pm** on the due date).
**Academic Integrity:** *Please note that Excel assignments are individual assignments and are subject to plagiarism check by the instructor. Plagiarism is taking credit for someone else’s work whether deliberately or unintentionally. This includes but is not limited to turning in all or part of an essay written by someone else (a friend, an internet source, etc.) and claiming it as your own, including information or ideas from research material without citing the Source, and copying Excel assignment done by someone else. Feel free to consult with me before completing assignments if you have any questions about what does or does not constitute plagiarism. More generally, please familiarize yourself with UNT Policy 06.003, Student Academic Integrity, which applies to this course. Of course, I do not anticipate any problems with academic integrity. In the unlikely event that any concerns do arise on this score, I will forward all related materials to the Office of Academic Affairs and the Dean of Students Office for an impartial adjudication. Plagiarism is a serious offense and will not be treated lightly. Depend on the seriousness of the offense, it may lead to an “F” or a numerical value of zero on the assignment, an “F” or an “FF” grade (the latter indicating academic dishonesty) in the course, suspension, or expulsion from the University.*

3) **Group project:** (20% of your total grade) There will be one big semester group project based on in-class practices and out-class activities. Students will form groups of 3-4 for the group project in this class. Group project due dates are on the tentative schedule. Electronic copy/PowerPoint slides are to be submitted to Canvas by 11:59pm on the due date. Late submission will result in a deduction of 10% of the grade per day, including weekends (one letter grade down per day).

   - **Industry IT Innovation project:** Each student group will pick a hospitality company (eg. hotel, restaurant, travel agent, meeting/event, CVB, airline, etc). The group is required to visit that company and **interview a manager** (GM, department head, IT manager, owner, etc). The subject of the interview is regarding the application of technologies at that company and one issue/question/problem need to be solved by IT innovation. Create questions to find out about what technologies they use on a daily basis, how they use them, what they do, what is the technology trend in that industry, website, social media, mobile app, etc; an all-around information and exploratory interview. Also ask what the interviewee likes and dislikes about the technologies they mentioned. Before you conduct interview, **discuss the interview questions with the instructor and get feedback**. After interview, the group will work together to find a solution/proposal an IT innovation to the interview company. The group will conduct research to find evidences/justifications to support their innovative idea/proposal. The group will then present the idea/proposal to the manager in order to get his/her feedback. The group may improve their idea/proposal based on the manager’s suggestions. The final IT innovation project will be presentation in front of the whole class at the end of the semester by a PowerPoint presentation. Please refer to Industry IT Innovation Project grading rubric for detailed requirements.

4) **Attendance and Participation:** (14% of your total grade) Successful completion of this course requires regular attendance of classes and active participation in class activities (discussions and practices).

   - **Attendance:** Attendance will be monitored and is MANDATORY. **Roll is taken in each class. Students are expected to attend all classes and to arrive on time.** You are allowed **TWO unexcused absence.** Starting from the 3rd unexcused absence, you will be marked as absence on Canvas. Canvas will automatically calculate your roll call attendance at the end of the semester.

   Attendance will be maintained from seating chart. Students are expected to attend class on time and stay the entire period. Attendance will be taken **at the beginning of each class.** If you are late for more than **15 minutes** or leave the class **15 minutes** before class is dismissed, you will be marked as late and only receive **half credits** in attendance. If you are late for more than **30 minutes** or leave the class **30 minutes** before class is dismissed, you will be marked as absent and **lose all attendance credits.** If you miss a class, you are responsible for the pool of material and the assignment. **The instructor will NOT give individual lectures to students who miss a class,** no matter the absence is excused or not.
Excused Absence Policy
An absence may be excused for the following reasons: a religious holy day, including travel for that purpose; active military service, including travel for that purpose; participation in an official university function; illness or other extenuating circumstances; pregnancy and parenting under Title IX; and when the University is officially closed by the President.

All excused absence documents must be obtained from UNT Dean of Student. Located at UNT Student Union Suite 409 (940-565-2648; deanofstudents@unt.edu). In order to approve your absence is Excused, you have to provide the instructor the documentation the office provide no later than one week after excused absence. The instructor will not accept any other documentations as prove of excused absence. Failure to provide a valid documentation within the time frame will deem it unexcused. If a student has to leave early with any of the reasons listed above, the student should INFORM THE INSTRUCTOR BEFORE THE CLASS STARTS.

iClicker Participation: Students need smart phones/Tablet to participate in class through iClicker Cloud. This is both to check your attendance and to help you prepare for exams. If you have technical difficulty, please answer iClicker questions on a paper and turn it in at the end of the class. If you don’t have a smart phone, please check the following link to borrow a laptop from Library: http://www.library.unt.edu/services/facilities-and-systems/laptops-checkout

iClicker is flexible across devices. You may participate by choosing one of the two options below:
1. iClicker Reef app: You may use your own smartphone or tablet by downloading the app available for iOS and Android
2. iClicker website – http://www.iclicker.com– for browser-based use

With either option, you will create an account with iClicker, select University of North Texas as your institution, and enter your EUID (your Canvas login ID) in the Student ID (optional) space.
To add the course to your iClicker Reef list, log into Canvas using a browser and click the link in this course. You’ll be directed to your iClicker Reef account. Log in as needed and the course will appear in your personal list.
Click on the course and JOIN when we are in session. Connecting via wifi in UNT classrooms is highly recommended.

Academic Integrity: *Please note that the misuse of iClicker Reef will be considered a violation of proper student conduct and will be treated as cheating. For this class, iClicker Reef is to be used as a learning tool by you in the classroom. Misuse would include submitting answers for a friend who is not in attendance in class, submitting answers when you are absent, having someone else submit answers for you when you are absent, or any other use of iClicker Reef by which you are not submitting your own work in class.

In-class group activities: In each lecture class, there will be some type of group activities (please refer to course schedule for details). Each group will finish the assigned activities in class and turn in the notepaper before leaving the class. Each group is required to submit ONLY one notepaper. Students with excused absence can make up group activities by finishing on their own.

Extra credits: Students have four opportunities to receive extra credits:
1. Excel review assignment extra credits (up to 15 points): There are 3 Excel review assignments given out during exam review classes. Each Excel review assignment is worth 5 extra credits. The due dates of the assignments are on the tentative schedule.
2. Teaching evaluation extra credits (5 points): At the end of the semester, all students will be able to receive a 5-point extra credit if you finish SPOT teaching evaluation. The instructor is trying to get an unbiased and comprehensive understanding of how this course can be improved in the future.

9. College of Merchandising, Hospitality & Tourism Syllabus Statements

**Have you met with your advisor?**

- **ALL** students are expected to meet with their Academic Advisor **each semester** to update your degree plan and to stay on track for a timely graduation.

**Do you want to graduate on time?**

- Advisors help you sequence courses correctly for an “on time” graduation. Ultimately, it is a student’s responsibility to ensure they have met all prerequisites before enrolling in a class.
- A prerequisite is a course or other preparation that must be successfully completed before enrollment in another course. All prerequisites are included in catalog course descriptions.
- Students that lack prerequisites for a course are not allowed to remain in the course.
- Once classes begin, students often have few, if any, options for adding a different course, which can be an issue for financial aid.

**Are You Considering Transferring a Course to Meet UNT Degree Requirements?**

Any transfer course(s) from another institution must receive **prior approval** from your CMHT Academic Advisor to ensure that the course(s) will be applicable to your degree plan at UNT.

**Advising Contact Information** (Chilton Hall 385 – 940.565.4635)

**Could you be dropped?**

- Students will be dropped for nonpayment for enrolled courses, parking fees, schedule change fees, etc. Please check your account daily through the 12th class day to ensure you have not been dropped for non-payment of any amount. It is the student’s responsibility to make all payments on time.
- **Students cannot be reinstated for any reason after the 12th class day regardless of situation.**

**Are you receiving financial aid?**

- A student must maintain Satisfactory Academic Progress (SAP) to continue receiving financial aid by maintaining a minimum 2.0 cumulative GPA and successfully completing the required number of credit hours based on total registered hours per semester. Students cannot exceed attempted credit hours above 150% of their required degree plan. If a student does not maintain the required standards, the student may lose financial aid eligibility. Visit [https://financialaid.unt.edu/sap](https://financialaid.unt.edu/sap) for more information about financial aid Satisfactory Academic Progress.

**Are you thinking about dropping course?**
• A decision to drop a course may affect your current and future financial aid eligibility. Talk to your academic advisor or Student Financial Aid if you are thinking about dropping a course.
• Speak with the course instructor to discuss any possible options to be successful in the course before dropping.
• Meeting deadlines for dropping a course are the student’s responsibility.
• After the 12th class day, students cannot drop a course online through your my. UNT Student Portal. Effective Fall 2018, the procedure to drop a course changed. See https://registrar.unt.edu/registration/dropping-class

Do you know who to contact for a course-related or advising issue?
Understanding the academic organizational structure is important when resolving class-related or advising issues. When you need problems resolved, please follow the steps outlined below:

Individual Faculty Member/Advisor
Department Chair
Associate Dean, College of Merchandising, Hospitality & Tourism
Dean, College of Merchandising, Hospitality & Tourism

Do you require special accommodations?
The University of North Texas and the College of Merchandising, Hospitality and Tourism make reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Are you aware of safety regulations?
Students are urged to use proper safety procedures and guidelines. In lab sessions, students are expected and required to identify and use property safety guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

Do you know the penalties of academic dishonesty?

**Do you know the date/time of the final exam in this course?**
Final exams or other appropriate end of semester evaluations are administered at the designated times during the final week of each long semester and during the specified day of each summer term. *Please check the calendar early in the semester to avoid any schedule conflicts.*

**Do you know what you may be missing?**
Your access point for ALL business and academic services at UNT occurs within the [https://my.unt.edu](https://my.unt.edu) site, and EagleConnect is the official method of communication for UNT. If you do not regularly check EagleConnect or forward it to your favorite e-mail account, please do so to learn about job and internship opportunities, CMHT events, scholarships, and other important information. The website that explains EagleConnect and how to forward your email is: [https://it.unt.edu/eagleconnect](https://it.unt.edu/eagleconnect).

**Do you know what to do in an emergency or UNT closure?**
- UNT uses a system called Eagle Alert to quickly notify you with critical information in an event of emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at [https://my.unt.edu](https://my.unt.edu).
- Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly.
- In the event of a university closure, your instructor will communicate with you through Canvas regarding assignments, exams, field trips, and other items that may be impacted by the closure. The instructor will post announcement on Canvas, so please check Canvas in case of a university closure.

**Are You An F-1 Visa Holder?**
- To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component must be approved in advance by the instructor and can include activities such as taking an on-campus exam, participating in multiple on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.
- If such an on-campus activity is required, it is the student’s responsibility to do the following:
(1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course. 
(2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Advising Office. The UNT International Advising Office has a form available that you may use for this purpose. 

- Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, students should contact the UNT International Advising Office (telephone 940-565-2195 or email international@unt.edu) to get clarification before the one-week deadline.
