

MATH2700-210: Linear Algebra and Vector Geometry

BLB 260 12:00-12:50 PM M/W/F

Instructor Contact Information

Name: Dr. Yanyan He,

Office Location: GAB 440D

Email: yanyan.he@unt.edu

Office Hours: 1:00-2:00PM Mondays and 10:50-11:50AM Fridays, or by appointment

Course Information

Course: MATH2700-210

Textbook: Linear Algebra and Its Applications by David Lay, Stephen Lay, Judi McDonald
(6th edition)

Prerequisite: MATH 1720

Course Content: linear equations, matrix algebra, determinants, vector spaces, eigenvalues and eigenvectors, and orthogonality

Tentative Exam Dates

Midterm #1: Sep 19, 12-12:50PM Friday

Midterm #2: Oct 24, 12-12:50PM Friday

Final exam: Dec 10, 10:30AM-12:30PM Wednesday

Grading

Homework: 20%; Midterm #1: 25%; Midterm #2: 25%; Final exam: 30%

Letter Grade

A--[100, 90] B--(90, 80] C--(80, 70] D--(70, 60] F--(60, 0]

Assignments & Exams

- The homework will be submitted online through Canvas, and submission must be one (1) PDF with a page scanned for each page of your work. The pages must be in correct order with right side up. If you submit more than one PDF, only the first one will be graded. The solution to each problem must be clearly labeled with problem number.
- All assignments are due at 11:59 pm of the due date. The Canvas gradebook will automatically assign a zero to assignment NOT submitted prior to 11:59 pm.
- No late homework will be accepted! Your homework papers are graded by a student grader. Ask the instructor asap if you have any questions regarding grading.
- Two lowest homework scores will be dropped.
- Exams are closed book. Make-up exams could be given only in exceptional cases with the documented evidence of excused absence.

- Students are strongly encouraged to attend classes on time. Students are responsible for any class announcements, including but not limited to exam time and location. Attendance and participation may be included in your final grade.

Academic Integrity

The content of the Student Handbook regarding the University's Policy of Academic dishonesty applies to this course. The occurrence of academic dishonesty will result in the grade of F for the course.

Disabilities

The University of North Texas makes reasonable accommodations for students with disabilities. To request accommodations, you must first register with the Office of Disability Access (ODA) by completing an application for services and providing documentation to verify your eligibility each semester. Once your eligibility is confirmed, you may request your letter of accommodation. ODA will then email your faculty a letter of reasonable accommodation, initiating a private discussion about your specific needs in the course. You can request accommodations at any time, but it's important to provide ODA notice to your faculty as early as possible in the semester to avoid delays in implementation. Keep in mind that you must obtain a new letter of accommodation for each semester and meet with each faculty member before accommodations can be implemented in each class. You are strongly encouraged to meet with faculty regarding your accommodations during office hours or by appointment. Faculty have the authority to ask you to discuss your letter during their designated office hours to protect your privacy. For more information and to access resources that can support your needs, refer to the [Office of Disability Access](https://studentaffairs.unt.edu/office-disability-access) website (<https://studentaffairs.unt.edu/office-disability-access>).

IMPORTANT NOTICE: The instructor keeps the right to make necessary changes for this course during the whole semester!
