All excused documents must be obtained from UNT Dean of Student. Located at UNT Student Union Suite 409 (940-565-2648; deanofstudents@unt.edu). **In order to approve your absence is excused, you have to provide the instructor the documentation from Dean of Student no later than one week after excused absence. A legitimate absence occurs when students submit documentation (e.g., doctor's note, absence card certified from the Dean of Students Office) to the instructor. If no supporting documentation is submitted to the instructor, students' absence will be considered a personal absence even if students have sent an email to the instructor. NETIQUETTE

Netiquette refers to a set of acceptable rules that govern online communication. It is important for students to recognize that their ability to clearly and properly communicate in an online class is as important to their success as how they perform on multiple-choice tests and written assignments. Here are some general guidelines:

- Treat your instructor and classmates with respect in email or any other communication.
- Always use your instructor's proper title.
- Use clear and concise language.
- Remember that all college level communication should have correct spelling and grammar (this includes discussion boards).
- Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you."
- Use standard fonts such as Times new Roman and use a size 12-point font
- Avoid using the caps lock feature AS IT CAN BE INTERPRETTED AS YELLING.
- Limit and possibly avoid the use of emoticons like :) or J.
- Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post and your message might be taken seriously or sound offensive.
- Be careful with personal information (both yours and other's).
- Do not send confidential information via e-mail

See these Engagement Guidelines (<https://clear.unt.edu/online-communication-tips>) for more information.

Grade and Class Concerns

Do you know who to contact for a course-related issue?

Understanding the academic organizational structure is important when resolving class-related or advising issues. When you need problems resolved, please follow the steps outlined below:

Do you require special accommodations?

The University of North Texas and the College of Merchandising, Hospitality and Tourism make reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Access (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Access website at <https://studentaffairs.unt.edu/office-disability-access>. You may also contact them by phone at 940.565.4323.

Are you aware of safety regulations?

Students are urged to use proper safety procedures and guidelines. In lab sessions, students are expected and required to identify and use property safety guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

Do you know the Academic Integrity Policy?

Academic Integrity Standards and Consequences, UNT Policy 06.003.

Academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

Academic dishonesty includes, but is not limited to, the use of any unauthorized assistance in taking quizzes, tests, or exams; dependence upon the aid of sources beyond those authorized by the instructor, the acquisition of tests or other material belonging to a faculty member, dual submission of a paper or project, resubmission of a paper or project to a different class without express permission from the instructors, or any other act designed to give a student an unfair advantage. Plagiarism includes the paraphrase or direct quotation of published or unpublished works *without* full and clear acknowledgment of the author/source. Academic dishonesty will bring about disciplinary action, which may include expulsion from the university. This is explained in the UNT Student Handbook. Your teacher should have a syllabus policy describing penalties for academic dishonesty.

Your instructor may decide to record lectures and/or class content for students enrolled in this class section to refer to throughout the semester. Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share the recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

Do you meet ALL expectations for being enrolled in a course?

- CMHT students are expected to meet all prerequisites for the courses in which they are registered.

- Students are expected to be respectful of other students, guests, and faculty. Behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and will not be tolerated in any instructional forum at UNT.
- Students engaging in unacceptable behavior will be directed to leave the classroom and may be referred to the Dean of Students for possible violation of the Code of Student Conduct.
- UNT's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at <https://studentaffairs.unt.edu/dean-of-students>.

The College of Merchandising, Hospitality and Tourism requires that students respect and maintain all university property. Students are accountable through disciplinary action for any intentional damage they cause in classrooms. (e.g., writing on tables). Disruptive behavior is not tolerated (e.g., arriving late, leaving early, sleeping, talking on the phone, texting or game playing, making inappropriate comments, ringing cellular phones/beepers, dressing inappropriately).

Additional Information

Are You An F-1 Visa Holder?

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the [Electronic Code of Federal Regulations website](http://www.ecfr.gov/) (<http://www.ecfr.gov/>). The specific portion concerning distance education courses is located at Title 8 CFR 214.2 Paragraph (f)(6)(i)(G).

The paragraph reads:

(G) For F-1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F-1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student's responsibility to do the following:

- (1) Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
- (2) Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.

Student Code of Conduct

According to the [Code of Student Conduct](#), “The University of North Texas is deeply committed to advancing educational excellence and preparing students to become thoughtful, engaged citizens of a diverse, global community. The University has established the Code of Student Conduct to promote the well-being, honor and dignity of all who live, learn and work in our educational community. The Code of Student Conduct is intended to foster a safe environment conducive to learning and development, as well as to hold students accountable through an educational process that balances the interests of individual students with the interests of the University. Students and student groups are expected to conduct themselves in a manner that demonstrates respect for the rights and property of others and upholds the integrity and values of the University community.”

Feedback and Communications

Image Release

The College actively posts images and descriptions of class and student accomplishments. If you do not want your image posted on the CMHT website and/or social media sites, (1) you should avoid being in group photographs or in photographs taken by your teachers or the IT staff and (2) send an email to jiyoung.kim@unt.edu and request that your name and image not be shared. Dr. Kim will share this information with the IT staff and the faculty who post to social media. Faculty and staff are asked to honor your wishes without question.

If your instructor employs lecture capture technology to record class sessions, students may occasionally appear on video. The recording may be used in future course offerings.

What is SPOT?

The Student Perceptions of Teaching (SPOT) is a requirement for all organized classes at UNT. This short survey at the end of the semester gives students the opportunity to comment on the course. Student feedback is important and is essential as we strive for excellence.

Do you know the date/time of the final exam in this course?

Final exams or other appropriate end of semester evaluations are administered at the designated times during the final week of each long semester and during the specified day of each summer term. *Please check the calendar early in the semester to avoid any schedule conflicts.* You can find the Final Exam Schedule here: <https://registrar.unt.edu/exams/final-exam-schedule>

Do you know what you may be missing?

Your access point for ALL business and academic services at UNT occurs within the <https://my.unt.edu> site, and EagleConnect is the official method of communication for UNT. If you do not regularly check EagleConnect or forward it to your favorite e-mail account, please do so to learn about job and internship opportunities, CMHT events, scholarships, and other

important information. The website that explains EagleConnect and how to forward your email is: <https://it.unt.edu/eagleconnect>.

Do you know what to do in an emergency or UNT closure?

- UNT uses a system called Eagle Alert to quickly notify you with critical information in an event of emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at <https://my.unt.edu>.
- Some helpful emergency preparedness actions include: 1) ensuring you know the evacuation routes and severe weather shelter areas, determining how you will contact family and friends if phones are temporarily unavailable, and identifying where you will go if you need to evacuate the Denton area suddenly.
- In the event of a university closure, your instructor will communicate with you through Canvas regarding assignments, exams, field trips, and other items that may be impacted by the closure.

Sexual Assault Prevention

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565- 2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.
