SOMEONE LIKE YOU

You know when you've found your perfect match—both in the romance department and when you nab the perfect polish. Envelop nails in a shade you'll love forever, a soft beige-pink that'll whisper your name and guarantee neutral manis and pedis that will always be in perfect harmony.

DEEP BREATH

Take a moment to meditate on this dreamy periwinkle, and you might find yourself momentarily breathless! A pulse-quickenning combination of softness and unconventionality, this shade provides a hint of subtle grey color while enrobing nails in an ever-so-slightly unexpected hue.

SWEET THING

The sweetest things in life may be free, but this gentle color will help you attain every last one of them. Lavender, revered for its calming and soothing properties, now translates to nails for manicures and pedicures that won't compete with spring's fashions—without venturing into wallflower territory.

BED OF ROSES

The sun is shining, the birds are chirping and nature's greenery returns in full force—let's face it, springtime calls for a rosy outlook. Answer that demand on nails with this rosy bright pink shade, a universally flattering hue that'll force anyone to look at life through rose-colored glasses.

LITTLE HANDS

Celebrate the birth of new life by making sure that nails are kept looking their freshest throughout the season. This pastel mint green is ideal for any lacquer lover, from the tiniest fingers and toes to women looking for a hint of unpredictable glamour to complement their spring wardrobe.

PINKY PROMISE

Do you solemnly swear to maintain perfectly polished nails all season long? Then grab this ballet-slipper pink, a neutral that will bring out the natural beauty of nails with a swath of sheer perfection. Keep your promises—and attain all of your dreams—with this creamy romantic hue!
