Fall Varsity 2020 Official Rules

INTRODUCTION

These Hearthstone Collegiate Championship Fall Varsity 2020 Official Rules in conjunction with Blizzard Entertainment, Inc.'s ("Blizzard") Hearthstone Tournament Player Handbook (the "Handbook"), including any updates, amendments or supplements thereto (collectively, the "Official Rules") govern qualification and competitive play in the Hearthstone Collegiate Championship Fall Varsity 2020 (the "Tournament"). The Handbook can be found here: <https://playhearthstone.com/en-us/esports/programs/rules-and-policies>

These Official Rules apply to all Tournament participants ("Players") who participate in the Tournament or any event related to the Tournament. These Official Rules have been designed to ensure the integrity of all competition, protect the image and reputation of Blizzard and create a consistent and high-quality experience for members of the public that view Blizzard events.

These Official Rules form a contract between Players, on the one hand, and Blizzard, Major League gaming Corp. ("MLG") and each of their respective affiliates who are engaged in operating the Tournament, on the other hand. These Official Rules establish the general rules of tournament play, including rules governing use of Hearthstone (the "Game") in the Tournament, player eligibility, tournament structure, points structure, prize awards, and player conduct. These Official Rules also contain limitations of liability, license grants, and other legally binding contractual terms. Each Participant is required to read, understand, and agree to these Official Rules before participating in the Tournament.

THESE OFFICIAL RULES AND ALL DISPUTES RELATED TO OR ARISING OUT OF YOUR PARTICIPATION IN THE TOURNAMENT ARE GOVERNED BY A BINDING ARBITRATION CLAUSE IN SECTION 12 AND A WAIVER OF CLASS ACTION RIGHTS. THAT CLAUSE AFFECTS YOUR LEGAL RIGHTS AND REMEDIES, WHICH YOU SHOULD REVIEW CAREFULLY BEFORE ACCEPTING THESE OFFICIAL RULES.

Blizzard will designate certain employees, agents, or other representatives to serve as "Tournament Administration" to operate the Tournament, implement these Official Rules, and serve as the point of contact for Players.

If a provision of these Official Rules is or becomes illegal, invalid, or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of these Official Rules or the validity or enforceability in other jurisdictions of any other provision of these Official Rules.

1.2. **Changes to and Enforcement of these Rules.** The field of esports competitions is still relatively new and changing rapidly and these Official Rules will evolve in real time to keep pace with those changes. Blizzard's authority, responsibility, obligations and consent rights as expressed herein will be exercised in Blizzard's sole discretion. Any material changes to these Official Rules will be provided to the Players prior to the next Tournament event in which the changed rules will apply. Participation in the Tournament will constitute acceptance of the changed rules. Changes to any terms regarding resolution of disputes will be governed by the provisions of the applicable section.

4. TOURNAMENT STRUCTURE

4.1. Tournament Format

4.1.1. Swiss Regular Season. Teams will be randomly seeded into a standard Swiss-pairing style (“Swiss”) tournament by preset regional groups, where they will compete over the internet for up to 9 rounds of Swiss pairings. All matches inside the current round must be completed at which point all new pairings for the upcoming round will be made based on the results of the previous round. These pairings will be based on the Swiss record of the players throughout the Regular Season. Starting with the teams with the best record, teams are randomly paired against other teams with the same record that they have not played previously in the tournament. If there are no teams left with the same record, the remaining team will be paired against a random team with another record. This process continues until there are no matches able to be created. Any remaining team receives a Bye.

4.1.2. Championship Bracket. The top 16 teams from the Swiss Regular Season will be seeded into a double elimination bracket to determine the final standings.

4.2. Tournament Schedule. Tournament Administration reserves the right to reorder the schedule of matches within a given day and/or change the date of the match to a different date, or otherwise modify the schedule of matches. If the schedule is modified, Tournament Administration will inform all Teams at the earliest convenience. For a full schedule of matches, please go to <https://gamebattles.majorleaguegaming.com/>. It is the full responsibility of the captain to notify team members of changes or delays in tournaments.

4.2.1. Registration. The application process for Collegiate Varsity 2020 qualification shall commence on or about August 8, 2020, at approximately 11:00 a.m. Pacific Time and is expected to conclude on or about September 4, 2020 at approximately 11:59 p.m. Pacific Time. Registration for the Hearthstone Collegiate Championship Fall Varsity 2020 shall commence on or about September 2, 2020 at approximately 11:00a.m. Pacific Time and is expected to conclude on or about September 17, 2020.

4.2.2. Tournament Dates. The Tournament will take place between approximately September 22, 2020 and November 1, 2020.

4.3. Rescheduling. Matches that are not playoff matches or matches scheduled to be part of broadcast may be rescheduled to any time before the assigned match time. Teams must reach written confirmation agreeing to a rescheduled time that is understood by both teams and indicates a time zone. After a reschedule is agreed upon, Teams must reach another agreement in order to change back to the default time or to change the match time again. After the match, Teams are responsible for reporting their match records on the tournament page. Tournament Administration reserves the right to override and change a reschedule.

4.4. Standings. Standings will be updated by tournament administration on a weekly basis.

5. MATCH DETAILS

5.1. All matches will be conducted using Blizzard's *Hearthstone* game (the "Game").

5.2. Match Format. All matches will take place in best-of-5, Conquest and the Standard format for deckbuilding. A player wins a best-of-5 match when they accumulate 3 game wins in that match. Conquest format follows these rules:

5.2.1. Each team must submit deck lists from 4 unique classes prior to each match.

5.2.2. Each team will ban one of the 4 classes submitted by their opponents.

5.2.3. A team must win one game with each of the unbanned decks to win the match.

5.2.4. When a team wins a game, the deck used by the winning team cannot be used for the remainder of the match.

5.2.5. The losing team can continue to use the same deck or switch to a different deck of their choice between games.

5.2.6. Teams will know what classes their opponent has available, but they won't know which class is picked for an upcoming match until both players have picked.

5.3. Manual Bans. If Tournament Administration deems it necessary, teams will select and communicate their ban through the method known as "manual bans". To manually ban, teams will create a match lobby before their real matches start. Each team will play the unique class that they wish to ban from their opponent. Once the game begins and both teams have seen the other's ban, either team may concede and then begin their real matches.

- 5.3.1. If a team enters the manual ban game with a class that is not a class used by their opponents, they must forfeit their choice of ban. The opponent instead will choose one of their 4 classes to ban from themselves for the rest of the series.
- 5.4. **Game Ties.** When the game ends with both heroes exploding, the current game is considered a tie. This can happen as normal game play process, when for example a player plays a spell that creates lethal damage for both players, or when the internal game-turns timer hits the limit for the number of turns in a game. In the event of a tie, both players game record increases by 1 game win and may result in a match win for one of the players. In a case where the game score is tied in a best-of-5 match, and game 5 ends in this way, there are two possible outcomes:
 - 5.4.1. If during the tied game, the game ends with both players at positive health, then the player with the higher combined total of health and armor is the winner of the game.
 - 5.4.2. If during the tied game, the game ends with both players at negative health, then the game must be replayed.
- 5.5. **Game Restarts.** The decision of what circumstances merit a game restart are solely at the discretion of Tournament Administration. Restart protocol will be decided by Tournament Administration and communicated to the team before being executed.
- 5.6. **Reconnects.** If a team disconnects and is absent between:
 - 5.6.1. 0 minutes, 1 second and 4 minutes, 59 seconds, they receive a warning penalty.
 - 5.6.2. 5 minutes, 0 second and 9 minutes, 59 seconds, they receive a game loss.
 - 5.6.3. 10 minutes or longer they receive a match loss penalty.
- 5.7. **Results.** Competitors will be responsible for confirming and recording all game and match results on the tournament website. Teams are responsible for screenshotting match results for proof in case of disputes over results reporting. Tournament administration cannot guarantee the accuracy of past match results posted on the tournament website.
- 5.8. **Technical Issues.** Players are responsible for any of their own technical issues, including hardware, software, or internet issues.
- 5.9. **Streaming.** Players are allowed to stream their matches during the Tournament from their own perspective. Players streaming do so at their own risk. Tournament Administration may revoke players' right to stream at any time.
- 5.10. **Broadcast Obligation.** In certain phases of the Tournament, teams may be required at the discretion of Tournament Administration to participate in Tournament broadcast proceedings in order to continue participating in the Tournament. Teams that fail to comply with these requests or fail to follow broadcast protocol may be disqualified.
- 5.11. **No-Show.** This infraction occurs when a team fails to arrive for their match on time. For online Tournaments, this infraction may also occur when at the start of the match, a

team fails to be present in all Tournament official channels such as Discord and do not start their match in a reasonable time as defined by the Tournament administration. The penalty for this infraction is a warning, which may be upgraded to a match loss 10 minutes after the official match start time.

- 5.12. Reservation of Rights.** Tournament Administration reserves the right to cancel, suspend and/or modify Tournament competition, or any part of it, if any fraud, technical failures, human error or any other factor within or outside of Tournament Administration's control impairs the integrity or proper functioning of Tournament competition, as determined by Tournament Administration. If Tournament competition is so terminated, Tournament Administration reserves the right to determine the winners of said competition from among all non-suspect, eligible Players.

6. COMMUNICATION

- 6.1. Match Creation.** Participating Teams are responsible for inviting the opposing team and creating match lobbies and matches prior to their match start time.
- 6.2. Announcements.** Large announcements, general information, ruleset, and bracket can be found on the tournament page, in emails sent throughout the season, and on the official Tespa Compete Discord server, or other Tournament-specific Discord servers designated by Tournament administrators. These sources can serve as an information hub for teams.
- 6.3. Email.** Players may email compete@Tespa.org for any issues that they experience, or to provide feedback as necessary. This method will often receive slower responses than reaching out to administrators via the Tespa Compete Discord channel.

7. CONDUCT

- 7.1. Sportsmanship and Professionalism.** All Players are required to act in a respectful and sportsmanlike manner at all times and abide by the player Code of Conduct, as posted on the tournament website. Tournament Administration maintains the sole right in judgement for violations of these rules and standards of integrity for good sportsmanship.
- 7.1.1.** Players may not use language or engage in conduct that is deemed by Tournament Administration to be obscene, foul, vulgar, insulting, threatening, abusive, libelous, slanderous, or otherwise offensive or objectionable. Likewise, Players may not promote or incite hatred or discriminatory conduct. Players may not use this type of language in connection with Blizzard's competitions, on social media, or in any public events such as streaming.
- 7.1.2.** Players shall treat all individuals watching or participating in a Blizzard event with respect. Players may not take any action or perform any gesture directed at another Participant, Tournament Admin, or any other party or incite others to do the same which is abusive, insulting, mocking, or disruptive. Players may not use obscene gestures or profanity in their account names, player handles, team

names, game chat, lobby chat or live interviews. This includes abbreviations and/or obscure references.

7.1.3. Players may not offend the dignity or integrity of a country, private person or group of people through contemptuous or discriminatory words or actions on account of race, skin color, ethnic, national or social origin, gender, language, religion, political opinion, financial status, birth or any other status, sexual orientation, or any other reason.

7.1.4. Players are expected to behave in a professional manner as determined by Tournament Administration. This includes being on time for all scheduled matches and ready to play. Players must respond to requests from Tournament Administration in a timely manner.

7.1.5. Tournaments are a place for players from around the world, from different cultures, and from different backgrounds, to come together to compete and share their passion for our game. Participants in our competitions should be focused on bringing the world together through epic entertainment, celebrating our game, players, and fans, and building diverse and inclusive communities. Players must refrain from disruptive or divisive behavior, commentary, or other forms of expression during official Tournaments or on any official Tournament channels (e.g. match broadcasts, Blizzard-produced shows). Throughout the period on match day that a Player is visible to the live and camera audience(s) on official Tournament channels, they may not wear, display or otherwise convey personal messages without express approval from Tournament officials, which approval shall not be granted for political messages.

7.2. Competitive Integrity. Teams are expected to play at their best at all points during any match and will maintain behaviors consistent with the principles of good sportsmanship, honesty, and fair play. Tournament Administration maintains the sole right in judgement for violations of these rules and standards of integrity for competitive play.

7.2.1. Best Ability. Players must compete to the best of their ability at all times.

7.2.2. Betting and Gambling. Players may not, directly or indirectly, conduct, promote or benefit from any act of betting or gambling on or in connection with any matches.

7.2.3. Collusion. Players shall not conduct or promote any act of collusion. Collusion is any agreement among two or more Players to disadvantage opposing Players. This includes all types of bribery.

7.2.4. Match Fixing. Players shall not offer, conspire or attempt to influence the outcome of a match by any means other than competitive play.

7.2.5. Hacking. Players shall not conduct or promote any act of hacking or modifying the Game.

- 7.2.6. Cheating.** Cheating will not be tolerated. It is each Participant's responsibility to know and understand the rules as they exist during the Tournament period. Any form of cheating will not be tolerated. If Blizzard determines that a Player, Team, or any of their agents or other representatives is cheating or otherwise interfering with the Tournament, that individual will face penalties determined by Tournament Administration. Examples of cheating would include, without limitation:
- 7.2.7.** Actions to maliciously intentionally alter, or attempt to alter, the results of any match, including losing a match to advance one Team or another Team's position in the Tournament;
- 7.2.8.** Attempts to interfere with another person's connection to the Game service through Distributed Denial of Service (DDoS) or any other means; and
- 7.2.9.** Playing or allowing another person to play on a Battle.net account registered in someone else's name. Teams may use the Battle.net accounts of players who are present at the time of their match.
- 7.2.10.** Withholding or omitting information from Tournament Administration.
- 7.2.11.** Lying to Tournament Administration.
- 7.2.12.** Stream sniping, or any attempt by a team to spectate their own match in progress or get information from a third party spectating the match that the team would otherwise not have access to.

RELEASED PARTIES OR ANY OF THEIR PARENTS, SUBSIDIARIES, AFFILIATES OR REPRESENTATIVES WERE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

To the fullest extent permitted by applicable law, each Participant acknowledges that he/she is aware of the risks, dangers and hazards associated with esports competitions and he/she freely accepts and fully assumes all such risks, dangers and hazards and the possibility of personal injury, death, property damage or loss resulting from his/her participation in such activities.

Players acknowledge and agree that the Released Parties and their parents, subsidiaries, and affiliates are not insurers of Players' property or personal safety. If a Participant feels the need for insurance, such Participant should obtain it from a third party.

EACH PARTICIPANT UNDERSTANDS AND AGREES THAT ALL RIGHTS UNDER SECTION 1542 OF THE CIVIL CODE OF CALIFORNIA AND ANY SIMILAR LAW OF ANY STATE OR TERRITORY OF THE UNITED STATES ARE HEREBY EXPRESSLY WAIVED BY HIM/HER AGAINST THE PROMOTION ENTITIES. SECTION 1542 READS AS FOLLOWS:

“CERTAIN CLAIMS NOT AFFECTED BY A GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.”

11. GRANT OF RIGHTS

By agreeing to these Official Rules and participating in the Tournament, each Participant hereby grants to Blizzard, MLG and each of their respective parents, subsidiaries and affiliates a perpetual, royalty free, fully paid-up, worldwide, right and license (with the right to grant sublicenses) to copy, display, distribute, edit, host, store, transmit, and otherwise use Participant's name, logos, trade or service marks, copyrighted material, nickname, or Blizzard Battle.net account registered in your name by the publisher of the Game during the Tournament, initials, likeness, image, photograph, animation, avatar, autograph, voice, video or film portrayal, public persona, game play data and statistics, biographical information, and backstory("Participant Materials"), and create derivative works thereof, in any and all present and future media whether now known or hereafter created, on any and all platforms and via any method of delivery, on or in connection with (a) any Tournament event (whether in full or in part and whether on a live or delayed basis and all or any part of such event) and the broadcast, streaming, webcast or other distribution of any audio visual, visual and/or audio coverage of any of the foregoing; (b) the marketing and promotion of the Tournament and the Game in general; (c) the exploitation of media rights and any group licensing or other agreements with third parties that are negotiated by Blizzard, MLG or their affiliated companies, and/or (d) the creation, distribution, promotion and sale of hats, shirts or other apparel, footwear, gaming gear or peripherals, novelties, souvenirs, toys, collectibles and any and all other tangible goods or products, including the sleeves, jackets and packaging for such goods or products, and the other products and services of Blizzard, MLG or their affiliated companies. The products,

services, media and materials created by exercise of any of the foregoing licenses or rights in clauses (a) through (d) are referred to herein as the "Licensed Materials."

Advertising and Commercial Materials. The grant of rights and licenses in this section includes, but is not limited to, the perpetual, royalty-free, fully paid-up, worldwide right and license (but not the obligation) of Blizzard, MLG (and their sublicensees) to copy, display, distribute, edit, host, store and otherwise use the Participant Materials and the Licensed Materials, and create derivative works thereof, on or in connection with Blizzard's, MLG's (or their sublicensees'): (a) websites and applications, together with those of its permitted streaming and broadcast partners; (b) social media postings; (c) print and online advertising and content; (d) newspaper and magazine advertising and content; (e) online advertising and content, including banners, leaderboards and skyscrapers; (f) outdoor and indoor billboards, posters, signs and displays; (g) product catalogues, point-of-sale materials, hang tags, product packaging and instruction manuals; (h) press releases, newsletters and e-alerts; (i) television; and (j) any other advertising or promotional materials developed by or for Blizzard, MLG (or their sublicensees) for the Tournament or the Game from time to time (the foregoing, the "Advertising and Commercial Materials").

Ownership of Advertising and Commercial Materials, Feedback, Stats and Suggestions.

As between each Participant and Tournament Administration, each Participant is the sole owner of his or her Materials, except that the publisher of the Game is the sole owner of all in-Game player names (or other identifying player names or tags), avatars, gameplay data, and statistics; and any intellectual property belonging to the publisher of the Game.

As between each Participant and Tournament Administration, Tournament Administration will be the sole owner of all of the following (collectively, the "Tournament Materials"):

Licensed Materials and Advertising and Commercial Materials (but not Participant Materials that are incorporated into or used in the Licensed Materials or Advertising and Commercial Materials);

All other works of authorship, audio-visual works, artwork, compilations, data and documentation that are created by or for Blizzard, MLG, their parents, subsidiaries, and/or affiliates and that incorporate or make use of all or any part of Participant Materials (but not Participant Materials that are incorporated or used therein and licensed hereunder);

Suggestions, comments and other feedback that a Participant may provide to Blizzard or MLG relating in any way to (a) the Tournament, the Game, or the business of Blizzard or MLG, and (b) all improvements or enhancements to the Tournament, the Game, or the business of Blizzard or MLG resulting from any such suggestions, comments and feedback;

Data and statistics relating to a Participant's play of the Game, and all feeds and data streams of such data and statistics; and

Intellectual property rights in each of the foregoing existing anywhere in the world.

12. RESOLUTION OF DISPUTES

Disputes Regarding League Rules. Blizzard has final, binding authority to decide disputes with respect to the breach, termination, enforcement, or interpretation of all sections of these Official Rules which relate in any way to Tournament competition, including but not limited to all decisions regarding player eligibility, rule interpretation, competition disputes, tiebreakers, prizing, cheating, disqualification, penalties for rule violations, and player behavior ("Rules Dispute").

Binding Arbitration for Arbitration Disputes. Any dispute, claim or controversy that Blizzard, its parents, subsidiaries, or affiliates may have against a Participant or that a Participant might have against Blizzard, its parents, subsidiaries, or affiliates, and any dispute, claim or controversy arising out of or relating to the Tournament or these Official Rules or the validity thereof, including the determination of the scope or applicability of these rules to arbitrate, and that is not otherwise subject to Blizzard's final, binding authority (whether under the immediately preceding paragraph or under separate written agreements entered into with Blizzard or its affiliates) or otherwise subject to arbitration under separate written agreements entered into with Blizzard ("Arbitration Dispute") will be finally settled under the Rules of Arbitration of the International Chamber of Commerce by a single arbitrator appointed in accordance with the said Rules. The place of arbitration will be Los Angeles, California. All matters relating to the arbitration, including any final award, will be considered the confidential information of the parties to the Arbitration Dispute. The parties to any Arbitration Dispute agree that they will only file with the court the portions of the award necessary to enter judgment and enforce the award and that they will make every effort to exclude confidential information from what is to be filed with the court, with any disagreements related thereto to be decided upon by the arbitrator prior to any court filing. The decision of the arbitrator will be final and binding on the parties to the Arbitration Dispute, and any award of the arbitrator may be entered in any court of competent jurisdiction. This Section will not preclude a party to a dispute from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction in respect of Arbitration Disputes or preclude Blizzard, its parents, subsidiaries, or affiliates from seeking and obtaining from any court of competent jurisdiction (without the need to post any bond or other security) temporary and/or preliminary injunctive relief against a Participant for any breach by the Participant of the terms of these Official Rules. Except as otherwise provided by these Official Rules or applicable law, each party to any legal action or proceeding brought against the other party will be responsible for his/her/its own attorneys' fees, experts' fees, court costs and all other expenses sustained in the course of such litigation (including any appeals).

Class Action and PAGA Waivers.

By agreeing to these Official Rules, each Participant agrees that any arbitration will be limited to the Arbitration Dispute between Blizzard and the Participant individually.

By agreeing to these Official Rules, each Participant acknowledges and agrees that: (i) a claim by, or on behalf of, other persons, will not be considered in, joined with, or consolidated with, the arbitration proceedings between the Participant and Blizzard; (ii) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court

proceedings on a class-action, collective action, private attorney general or representative action basis (other than an action brought under the Private Attorneys General Act, California Labor Code sections 2698 et seq. ("PAGA"), separately addressed in the paragraph below) or to utilize class action, collective action, or non-PAGA private attorney general or representative action procedures; and (iii) the Participant will not have the right to participate as a class representative, collective action representative, or non-PAGA private attorney general, or as a member of any class, collective action, or non-PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does any Participant or Blizzard agree to class, collective, non-PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing provisions of the foregoing paragraph and this paragraph are referred to as the "Class Action Waiver"

By agreeing to these Official Rules, each Participant acknowledges and agrees that: (i) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court proceedings on a PAGA basis, or to utilize PAGA procedures; and (ii) the Participant will not have the right to participate as a private attorney general, representative, or as a member or claimant of any PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does the Participant or the League Office agree to PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing provisions of this paragraph are referred to as the "PAGA Waiver".

In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a class action, collective action, or non-PAGA private attorney general or representative action; and (ii) all or part of the Class Action Waiver is found to be unenforceable, the class action, collective action, or non-PAGA private attorney general or representative action to that extent must be litigated in a civil court of a competent jurisdiction within Los Angeles, California, but any individual claims for which the Class Action Waiver is deemed enforceable must be litigated separately in arbitration. The Class Action Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a PAGA private attorney general or representative action; and (ii) the PAGA Waiver is found to be unenforceable, then: (i) the unenforceable provision will be severed from this agreement; (ii) severance of the unenforceable provision will have no impact whatsoever on the arbitration of any remaining claims on an individual basis pursuant to this agreement; and (3) any PAGA representative or private attorney general action must be litigated in a civil court of a competent jurisdiction. To the extent there is any Rules Dispute or Arbitration Dispute to be litigated in a civil court of competent jurisdiction on a PAGA private attorney general or representative action basis because the PAGA Waiver is deemed unenforceable with respect to that Rules Dispute or Arbitration Dispute, then the parties agree that litigation of that Rule Dispute or Arbitration Dispute will be stayed pending the outcome of any individual claims in arbitration. The PAGA Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or

pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

Governing Law.

All Rules Disputes and Arbitration Disputes will be governed by and construed under the laws of the State of California, United States of America, without regard to choice of law principles, provided that Blizzard will have the right to disqualify any Players that are rendered ineligible to participate due to local law. This selection of governing law shall supersede any prior choice of law contained in any prior version of the Official Rules executed by the Participant.

Players agree to be bound by these Official Rules and by the decisions of Blizzard with respect to the disciplinary actions imposed for their violation, which are final and binding in all respects.

Changes to this Section. Tournament Administration will provide 60 days' notice of any changes to the terms of these Official Rules regarding resolution of disputes. Changes will become effective on the 60th day, and will apply prospectively only to any claims arising after the 60th day.

Due to server capacity and other technical limitations beyond the

control of Tournament Administration, Tournament Administration reserves the right to limit the number of Players.
