Use Of Digital Scrapbook Products Identified As Approved For Personal Use (PU)

My Scrapbook Products are intended for use by individuals. These digital products will be labeled as "Personal Use" and as such are approved for only Personal Use (PU).

- You MAY NOT claim these products as your own, even if altered, resized, recolored or combined with other products of your own.
- The product MAY NOT be used in any project or product offered for resale.
- You MAY use the product to create scrapbook pages, digital art, and printable art projects for yourself or on behalf of a client (Scrap for Hire or Scrap for Others).
- The product cannot be sub-licensed, resold, shared, transferred, or otherwise redistributed on its own (even if received for free).

Use Of Digital Scrapbook Products Identified As Approved For Commercial Use (CU)

Commercial Use products are intended for use by other designers as well as by individuals. These digital scrapbook creation products will be labeled as "Commercial Use" and as such are approved for both Personal Use (PU/S4H/S4O) and Commercial Use (CU).

- You MAY NOT claim these products as your own, even if altered, resized, recolored or combined with other products of your own. You do NOT have to give me creation credit, but it is appreciated if you do.
- You MAY create PERSONAL USE (PU/S4H/S4O) digital scrapbook products for sale
- You MAY create digital or printed scrapbook projects or layouts on behalf of a client, known in the industry as "Scrap for Hire" or "Scrap for Others" S4H/S4O;
- you MAY create freebies/gifts as long as they are part of a kit or combined creatively with another element(s);
- You MAY create PERSONAL USE (PU) digital art, i.e., digital greeting cards, invitations, toppers etc.
- You MAY create PERSONAL USE (PU) derivative design products that are PRINTED for sale, such as greeting cards, calendars, invitations, etc. as long as no individual design is printed at greater than 150 quantity.
- Adobe Photoshop™ tools (actions, brushes and styles) should be used to create a digital end product. You may not redistribute the tools or any derivative of.

ADB Designs TOU

Use Of Digital Scrapbook Products Identified As Approved For Commercial Use (CU) – Continued

- You may NOT use my products to create brushes, tubes, cutting files or other similar items and redistribute them.
- You may NOT use my products for **mass production** in the **paper scrapbooking** or for any other industry.
- The product cannot be sub-licensed, resold, shared, transferred, or otherwise redistributed on its own (even if received for free).
