The graphic files contained in this e-file are the product of WinksArt Graphics, or the specified designer, and are protected by United States copyright law. The single, individual Purchaser (meaning, the individual who actually bought the product) may use, copy and modify these files for his/her own small business use.

- * Purchaser may design derivative works which he/she will personally sell, or from which he/she will profit as a result of his/her design work using the licensed materials.
- * Purchaser may not turn the derivative designs over to any company permanently for any reason.
- * Purchaser may not use the files for design work that will be turned over to another company or individual with the intention that the other company or individual will profit from the derivative work.

These files, which are to be considered a design tool rather than a final design product, are licensed to the purchaser's computer only and are not to be shared, loaned, rented, resold, distributed, transferred, or posted across a bulletin board, network, modem, Internet or web page in their original form. The purchaser has a license to create derivative designs using these files, but is not licensed to re-distribute them in their original format.

Examples of correct usage:

- Creating papers and/or elements that the purchaser/designer will sell to consumers or retailers.
- Creating a gift certificate for a company on a contractual basis where the gift certificate design will not be sold or turned permanently over to the company for which the work is being done.
- All "commercial use" products may be used for personal use and S4H.

Examples of incorrect usage:

- Making papers that the designer will turn over to a manufacturer to sell to retailers.
- Making a gift certificate and then turning the design permanently over to another company.
- Distributing or redistributing the products as they are received from WinksArt Graphics directly to consumers.
- Making copies of these files on any electronic or physical medium (including CDs, flash drives, or other storage medium) for reasons other than back-up purposes.

This commercial license is not extended to companies, partnerships, LLC's or corporations. If a company, partnership, LLC, or corporation is interested in obtaining commercial licensing for this product, please contact Valerie B. Haddock.
