

Terms of Use – Personal & Scrap for Hire Use

Please enjoy these goodies. They have been made with love. They are for **Personal Use** only (unless stated otherwise on the preview).

If you use them, please credit me. If you enjoy using them, please check back for the newest set of goodies on offer. If someone else sees your work and likes the goodies, please let them know where you got them from, please don't share them.

I would love to see your creations. You can email me at tonishasplayground@gmail.com.

You can use my goodies for creating scrapbook pages for yourself, family and friends. If you are giving away the pages, please do so as jpegs or another way that does not give away the individual parts. If they want them they must download them. Scrap for hire is also allowed. You can use them to create blog backgrounds, cards or announcements for personal use as well.

Please do not claim any of them as your own creations.

Above all else, enjoy being creative.

Thanks for following my Terms of Use.

Credits

I would like to thank the following designers for their designer resources:

Terms of Use – Commercial Use

Please enjoy these goodies. They have been made with love. They are for Personal Use and limited Commercial Use.

If you use them, please credit me. If you enjoy using them, please check back for the newest set of goodies on offer. If someone else sees your work and likes the goodies, please let them know where you got them from, please don't share them.

You can use this as part of your card design or paper craft to sell for profit. You can use my goodies for creating scrapbook pages, cards or announcements for yourself, family and friends. If you are selling the design, please do so as jpegs or another way that does not give away the individual parts. If they want them they must buy them. Scrap for hire is also allowed.

Do not add to designer resource packages. Do not resell the pack as is. They must be added to a scrapbook kit or they must be incorporated into your design . They can only form 10% of the content of your scrapbook kit. Do not turn these into photoshop styles or brushes to share or sell. Do not just change the color(s) to resell them.

Please do not claim any of them as your own creations.

Above all else, enjoy being creative.
