

## WELCOME TO STEPPING UP TO *Rockstar* STATUS!

Dear Powerful You,

I am so glad you are here! Yup, we have not met yet...but I know that over the next few months we will get to know each other while we grow, step up and rise to every challenge.

In the Rock Star Program, I share with you my deepest and greatest work totally focused on you transforming your programming, habits and fears to your highest power...the next AWESOME evolving version of you!

To multiply that transformation, you will be guided through the best, cutting edge and most FOCUSED marketing strategies for earning while making a real difference doing what you love!

And, btw, I share with you more of me, the real me and my real heart...whenever that can be of service to your growth. (So get ready for that!)

I know this was a big choice. I know for sure it is one that will impact your future forever.

So I am honored to have you go on this journey with me and hold your trust and willingness to be guided as sacred! You and your mission have now become my mission this year, and the shared mission of all my coaches!

I, together with my team, welcome you and... you know what? We can't wait to get started!
