S.I. OF THE TIGER

● Survivor frontman **Dave Bickler** will get Staten Island Yankees fans ready to rumble when he sings “Eye of the Tiger” at the team’s game Tuesday against the Aberdeen Ironbirds. Bickler will count on Yankees fans to serve as his band by playing pitched percussion tubes called “Boom-whackers,” which will be handed out at the game. The event is part of Make Music New York, which raises musical awareness citywide.
