

**PASTOR NEIL'S
MESSAGE NOTES**

November 20, 2022

Today's Focus:

Revelation on Pitfalls of Satan Pt. 5 (forgetfulness)

Luke 17:11-19 - *Forgetfulness will rob you of the made whole level.*

In the context of this lesson,

1. **Forgetfulness** does not mean you don't remember what God or someone has done for you but the valued meaning and significance of the act of kindness you once received does not mean much to you anymore.
2. **Forgetfulness** is not having amnesia but that you don't value that act of kindness the same way you use to.

Examples:

- *Forgetfulness by Countries*
- *Forgetfulness in the Home*
- *Forgetfulness at the Workplace*
- *Forgetfulness in a marriage*
- *Forgetfulness by church folks*

***Humans are prone to forget –
so throughout the bible, we are told not to forget.***

- 5 times in Deuteronomy 8:2, 11, 14, 18, 19
- 4 times in Jeremiah 2:32; 3:21; 13:25; 18:5
- 3 times in Hosea 4:6; 8:14; 13:6
- Once in Luke 17:11-19

- Once in Romans 15:15
- Once in 1 Corinthians 4:17
- Twice in 2 Timothy 2:8, 14
- Once in Titus 3:1
- Once in Hebrews 12:5
- 5 times in 2 Peter 1:5-9, 12-13, 15; 3:1

Why do we forget so easily?

People Forget the Lord because of...

Deuteronomy 8:2

1. Passing of time – times pass, and we lose focus of what has been done for us.

Deuteronomy 8:5

2. Prolonged suffering – when we suffer because of divine discipline for a long time we tend to forget.

Deuteronomy 8:10-11

3. Prosperity - when things are going well, people tend to forget God.

Deuteronomy 8:14

4. Pride - when everything is going well you can become proud.

Deuteronomy 8:17-18

5. Forgetting the God factor – society tells us we did it ourselves and we forget that God is the one who gave us the strength.

Deuteronomy 8:19

6. Pursuit of other gods – like Seeking Pleasure – they are seeking pleasure so badly that the things of God don't mean much to them.
7. Offense – You hurt me I hurt you. Forget what you did for me. I am justified when I do what I do.

The Devil cannot defeat you without your help!! So, do not let forgetfulness destroy your blessing.

When we forget we....

1. ***When we forget we*** destroy our marriages

2. ***When we forget we*** destroy relationships that are vital for our success.
3. ***When we forget we*** lose getting what nobody else can get because our thanksgiving links us to the supernatural.
