- Calvary Church staff and congregants look forward to you and your family participating in church programs and activities to the fullest extent possible. But we know that church participation should not interfere with the main purpose of your furlough.
- It's our expectation you will care for the home. Keep in mind another missionary family will be moving in after your stay and expect the home to be in the same condition you will find it on arrival. Please keep the home well-maintained throughout your stay.
- Please notify Bruce McClay (bruce.mcclay@calvarychurch.us or 651.233.7463) of any damage to property. Do this within two days of incident which has caused damage.

- There is no renter's insurance on your own personal property.
- Do not leave anything valuable in your vehicle. Always lock the house doors when leaving.
- You will find ample supply of linens, cookware, and dishes. You're welcome to use these items as you need. If you decide to use your own household items, please keep them separate from Home Base's provisions to make the sorting easier when you leave.
- We realize that some appliances and equipment may not be familiar to you, so please take a look at the manuals for all household appliances that are in the kitchen. If you need assistance with any household equipment, please contact Bonnie Johnson (bonnie.johnson@calvarychurch.us).
