20-Minute Prayer Blueprint

Love and Adoration of God

FIVE MINUTES

Love of Neighbor

FIVE MINUTES

A blueprint is a design or pattern that can be followed. So I encourage you to use this pattern for your personal prayer time or with your family, small group, or leadership team. My hope is that this blueprint will deepen your connection and dependence on God. His Spirit is always active and speaking, and this outline can help create a rhythm for you in listening for his voice and then acting.

Spend any amount of time praying through this outline. I encourage you to spend equal amounts of time in each category. I recommend starting with “Love and Adoration of God” and then moving down the list ending with “Embrace Hope.” I also encourage you to write things down as God speaks to you. Listen for God’s voice and don’t be shy to pray into what it is you hear.
