Pastor's Peace by Rev. Fred Garry

For those who have eyes to see and ears to hear.

I asked my wife, "What do you write for the front page of the newsletter at a time like this?" Without blinking she said, "you write about beauty. Tell them about the peace you find in sunsets and the way they bring joy in the midst of chaos."

Seemed like good advice.

This last week I have lived each day waiting for the sunset. I was not waiting for the day to end or the work to be done. When I wait for a sunset, I am waiting for splendor. Splendor heals the soul; I believe this.

On a Thursday night I experienced this healing in a whole new way. I took my grandsons out into the sunset. When I photograph sunsets, I like to be in the water, to see the way the colors play on the ripples and waves - the way light and shadow reveal the shape of water; yet, mostly, I want to get as close to the surface as possible so my eye is "in" the ever changing play of the setting sun and the lake.

On Thursday I took Dmitri and Nikolai into the sunset. As we waded into the water farther and farther, there was silence. These are two very chatty boys (question upon question, story upon story), so the silence was odd. Yet, the silence was part of the splendor. I was watching them watch the sunset from the water, being in it. Just a few hours before I revealed to them that many of the rocks on the shore have fossils in them. Without delay they hunted for them examining stone after stone. I believed this prepared their eyes; they were attentive to where they were; there was something to see here.

On a Wednesday night, the sunset was happening in the rain. As I waded out into the water it was as if hundreds of small stones were creating rings all around me. They were like invisible lily pads. At one point I turned my camera up to exclude the water and capture only the sky. The beauty here was that the rain clouds were like a blanket of gray trimmed with incredible colors; it was as if the sky was overflowing at the horizon.

My first impulse for this newsletter article was to describe the piece of paper Dwight D. Eisenhower always carried in his pocket. On the paper was a saying about water and our place in the world. He kept this saying with him to remind him of what is important and what is not; to always keep his head on straight. It is a good lesson, but I'll keep it for another time.

Continued in page 2

Continuation of Pastor's Peace from Page 1

The water I need right now is not a lesson in humility, but the way water restores us, especially when combined with a setting sun. It took me a lot of years to appreciate the way moments of splendor heal what is broken in us, mend our hearts. For the first half of my life I was completely convinced that understanding is the way of healing, knowledge, the clarity of doctrine and philosophy are the true forces of life restoring the soul. Over the course of the next quarter century, I became completely convinced this was a bit of a miss shall we say, a very limited way of looking at life. To follow Jesus is not about knowledge or doctrine or understanding. I believe following Jesus is having eyes to see and ears to hear. To see splendor, to hear silence: that is the joy to be found in a sunset, and joy is the way unto peace.

It's been a long 18 months but we are finally ready to get back to shopping! The FPC Food Pantry will be welcoming back our clients for in-person shopping, client choice, starting August 25th! The client choice food pantry model reduces food waste by letting clients take only what they need, it allows us to get more information about who we are serving to help serve them better, and it restores dignity to the process. We will be allowing clients to come in to shop on Wednesdays once a month and we will continue to offer drive up on Thursdays for those not yet comfortable coming into the building.

Starting in September, we will also be offering a **"Mission Volunteer Night"** once a month for the congregation and the community looking to volunteer their time to help others. Our first volunteer night will take place on **Thursday, September 16th at 7:00pm.**

Stay tuned for more information!

STEWARDSHIP 2021

It's time for all of us to think of how the church has helped us during this challenging year and how we can come together to continue God's work in our community. More to follow!

ADULT ENRICHMENT PROGRAM

GOSPEL STORIES

A Weekly Bible Study

Beginning September 15th

10:30 a.m. in the PW Lounge

Happy are those
 who do not follow the advice of the wicked,
 or take the path that sinners tread,
 or sit in the seat of scoffers;
 but their delight is in the law of the Lord,
 and on his law they meditate day and night.
 They are like trees planted by streams of water,
 which yield their fruit in its season, and their
 leaves do not wither.
 In all that they do, they prosper.

- Psalm 1

To be devoted to the “law of the Lord” is a beautiful thing. For more than a decade now, I have dedicated myself to the teachings of Jesus; they are my delight. The parables, the Sermon on the Mount, the teaching moments with healings, even the controversies with the Pharisees: they have all become a light upon my path. Beginning this month, we will have a weekly pastoral bible study. The focus of the study will be the teachings of Jesus. Sometimes we will compare the different ways Matthew, Mark, and Luke tell the same story, but with a unique twist for each; other times we will look to the where and how the Gospel writers have placed and arranged the teachings of Jesus, but each and every time we will devote a little time to a specific teaching and ask: how are we to live this. The study will be held on **Wednesdays at 10:30 am in the PW Lounge**. I know that excludes people who are working. But for now it is a place to start. We will do our best to set up a “webinar” zoom so any and all can enjoy the study virtually or at a later date.

Coming in October: Horizons Bible Study

From the Gospel of Matthew, “we are invited into the family stories that helped shape Jesus and ... therefore shape us, too.” Stories like those you might have heard from your own grandmother. **The Horizon Study is for EVERYONE— all are invited !** This monthly study will run from October through June with an option to join in-person or virtual by Zoom. If interested, call, text, or email Deb Teall and let her know what day and time are best for you!

Patterns and Themes: An Exercise On Our Life Experiences

With Rev. Fred Garry and Laura Draper
 September 26, 10:45 am, Session Room

Rev. Garry and Laura Draper will lead folks in a small group exercise. The exercise requires some preparation, but the gathering is only for a few hours.

This is a fabulous exercise to remember the path our life has taken to this point. Consider doing the exercise and taking part in a small group discussion where 5-6 members will describe what they found. The discussion lasts a few hours, but it will be a gift you keep for long time.

There is a Parts of Our Lives Worksheet that will be emailed to you should you want to join.

Please email:

Laura Draper (draperfam44@gmail.com) or
 Nancy Leardi (nleardi@fpcweb.org) to receive the materials. Again, the preparation and the exercise is brief, but the value lasts a long time.

Wednesday, September 15th, 6:00—8:00 pm in the Social Center Ball Field

Come eat, play, hang out and catch up. There will be barbecue, volleyball, spike ball, gaga, music and so much more. Cost is \$3 per person. *Please note that this Kickoff Party will be replacing the previously scheduled Slime Fest.*

.....AND THEN YOUTH GROUP CONTINUES EVERY WEDNESDAY!

As we all navigate the coming months in regard to Covid-19, our goal is for Youth Group to be a constant safe place where community is continually fostered and developed. Our intentions are to offer a Youth Group experience that closely reflects Youth Group as it has always been to the best of our ability.

Our goal is to again hold Youth Group in the Social Center Field whenever the weather permits. When we are not on the field, we will either be in the large tent or inside the Social Center.

We will maintain our guidelines of physical distancing and mask-wearing will continue where Youth Group left off at the end of June. We will also require Youth group participants to sign new Covid-19 waivers. With a very fluid Covid-19 situation, we remain committed to respond and give a safe environment to our youth groups and leaders.

The plan for now is to hold Junior High Youth Group from 5-6 pm, with a combined dinner with Senior High group from 6-6:30 pm. Senior High Youth Group will follow from 7-8:00 pm. We will be monitoring the Covid-19 situation closely and may alter our plans and keep families updated.

Westminster Choir and Handbell rehearsals for Junior and Senior High will begin on September 22nd. Details may be found in the Music Ministry page provided by our Music Minister, Brenda Day.

As with everything else taking place, Youth Group is ever-evolving to adapt to our current world, including state and local guidelines, and we are grateful for our Youth Leaders' dedication to our Youth.

We are very excited to be offering this ministry to our church and community for the 2021/2022 program year.

MUSIC MINISTRY

The plan for the Jubilee Choir, at least for September and possibly until the weather gets cold, is to meet on the front porch of the sanctuary building. We were encouraged as we had a very successful music classes for VBS on the porch. There is plenty of room, we are shaded from the sun, and it's protected in the event of rain.

Jubilee Choir will begin rehearsing on Tuesday, Sept. 14 from 4:00 – 4:30 pm. I hope you will bring your 4 year old through 2nd grader to choir – we have lots of fun singing and learning basic music skills – marching and clapping on a beat, singing together, and playing some rhythm instruments.

The Junior Choir will have their first rehearsal on Thursday, Sept. 16. The plan is to start the year rehearsing on the front porch, similar to the Jubilee Choir. We rehearse from 4:15 – 5:00 pm. For those interested in learning to play handbells, our rehearsal is from 5 – 5:30 pm, immediately following Junior Choir. Because of the set up for bells, rehearsal will be in the sanctuary. It is not possible for bells to rehearse outside.

Make a joyful noise unto the Lord...

The Westminster Choir will have their first rehearsal on Wednesday, Sept. 22 from 6:30 – 7:00 pm in the Sanctuary immediately following Youth group dinner. Junior Highs are invited to Chapel Ringers from 7 – 7:30 pm. Good News Ringers (grades 9 – 12) rehearse following Senior High Youth Group.

Senior Choir will begin rehearsing on Thursday, Sept. 9. In order to maintain a safe distance, we will rehearse in the sanctuary. It will be wonderful to have a chance to sing together again. If you love to sing and would like to join us, we welcome you!

The Concord Ringers and Covenant Ringers will have their first rehearsals on Thursday, Sept. 16. Concord Ringers practice in the morning from 9:30 to 10:15 am and Covenant Ringers in the evening from 7:00 to 8:00 pm.

Singing together is one of the great losses of these many months of Covid. PLEASE encourage your child to come back to choir or "try out" choir if they have never participated before. I look forward to welcoming all children, youth and adults back to our very vital music ministry at our church. For everyone's safety, we will be singing with masks but will adjust as the Covid situation improves.

Meet Our
Seminarian Intern:

KRISTY WOODROW

Kristy Woodrow is our Seminarian Intern from Princeton Theological Seminary for the year 2021-2022. Kristy is in her final year at PTS. She had her undergraduate degree in Social Work from Centenary University. Kristy writes that she chose to attend Seminary because of her passion for children's and youth ministries as well as for children and youth themselves. During her time at seminary, Kristy is keen to learn more about God, the Bible, and how people worship and practice faith in different ways (and still do). Once she has completed her studies she's looking forward to being ordained as a youth and children's pastor once she graduates. Not one to shy away from the question "why," Kristy says "I absolutely love to learn new things. I am excited to have my second internship be with you all!"

Please extend a warm FPC welcome to Kristy.

After a successful pilot for a Soup Ministry last winter, we are looking at interest in continuing the program from October to March. Containers of soup would be delivered to congregants who are homebound, recovering from medical issues, working on the frontlines in health care, or feeling isolated.

Why soup? Soup is warm and comforting. Soups can be made ahead of time and reheated. Most soups can be made simply and fairly inexpensively and divided into quart containers which can be left safely on a porch for congregants.

If you know someone who could use some “soup love” or are interested in helping with this ministry – donating a pot of soup, delivering soup to a doorstep, making phone calls or in some other way – please contact: Laura Draper (draperfam44@gmail.com).

Our Red Cross Blood Drive Coordinator reported that thanks to the drive held last August 15 in the Social Center they generated 3 power red and collected 20 precious pints. This translates to about 60 lives saved!

More blood drives are in the works and the American Red Cross is grateful for our partnership!

STAFF TRANSITIONS

Congratulations to **Vicky Lacson**, who has served as our Office Assistant since 2017, and was promoted last month to be our full-time *Administrative and Communications Coordinator*.
