HOPE FOOD PANTRY

Hope Food Pantry's mission is to help alleviate hunger in the Austin Community. The program provides canned food, fresh produce, meat and dairy products to over 1,000 family members each month who visit the Pantry. Partnering with the Capital Area Food Bank allows for the purchase of deeply discounted items and "food rescue" partnerships with area grocery stores enhance the program. This year, HOPE is also in a position to provide a limited amount to utility assistance through a grant from the City of Austin Plus 1 program.
