

Longing to Be Known

John 1:43-51

The Word Became Flesh: A Journey Through the Gospel of John

Small Group Discussion 1:

Who is someone in your life who really 'gets' you?

Can you think of an example of something they did or said that made you feel known?

What is it like for you to be with this person?

The Main Point:

Each of us longs to be truly known and truly loved. When we invite people to church, we are giving them the opportunity to encounter Jesus and to experience being truly known and truly loved.

Small Group Discussion 2:

Have you had an experience where Jesus showed you he truly knows you and loves you? If so, what happened? If not, would you like to have an experience like this?
