Free Will Offering to benefit

SAVING SULLY

DOG RESCUE

EST. 2018

Who We Are:

We are a volunteer and foster-based organization, in the greater Oshkosh area, who rehabilitate at-risk dogs that would otherwise be euthanized due to being abandoned, abused, neglected and left behind in overpopulated shelters. We work hard to restore their physical and emotional well being. We do not have a physical location, instead we rely on gracious fosters to welcome dogs into their homes until they can be placed in their loving and responsible forever homes. At Saving Sully Dog Rescue, we work hard to be advocates for those with no voice, while educating others about the importance of rescuing.

Donate:

The reality of rescue is hard, that many do not understand. At Saving Sully Dog Rescue, we are a 501 (c)(3), nonprofit that relies on donations to ensure the best care possible for our dogs. Oftentimes, the cost of care that we provide is more than our adoption fee alone, because we believe in going the extra mile. We provide comprehensive veterinary services for each and every dog in our care. We also take dogs with preexisting medical needs, which makes the need for donations more urgent. Because of this, we depend on donors to allow us to continue our mission of saving dogs.

Foster:

Consider becoming a foster! We are always in need of fosters to welcome dogs into their homes. The more fosters we have the more dogs we are able to save from euthanasia. Foster at no cost to yourself as we provide everything you could possibly need for your fosters including food, vet costs, crates, etc. As a foster, you will learn and gain insight as to why fosters are such a vital role in the world of rescue.
