

United Women in Faith's Recycling Project

We want to say "Thank You," to all the people who have donated T-Shirts for our Project /Program "Basic Training for Recyclers" being Held at our church, on Saturday October 22nd. Turning these T-Shirts into reusable cloth bags will also be used by the Full Shelf Food Pantry and help our environment by reducing plastic bags! Please keep spreading the word to donate gently used T-shirts and invite people to our October Program.

On Saturday, September 3rd we have a booth at the West Bend Farmers Market. We will Promote our October program by passing out over 200 cloth bags with an attached invitation to come and learn more about recycling!

(Invitation)

This washable, reusable shopping bag is made for you by the women of Fifth Ave United Methodist Church from a recycled T-shirt. Please use this bag when you shop; help reduce plastic bag pollution.

To further reduce plastic pollution, recycle. Recycling can be confusing. What goes in the trash? What is recyclable? What are my municipality's recycling rules?

Come to a family-friendly event to have your recycling questions answered.

Basic Training for Recyclers
Saturday, October 22, 2022, at 11:00 AM
Fifth Avenue United Methodist Church
323 S. 5th Avenue, West Bend, WI

Please join us any Wednesday from 1:00-3:00pm in the Fellowship Hall as we create these bags. No sewing required.
