

## PSALMS 127:1-2

A Song of degrees for Solomon. Except the LORD build the house, they labor in vain that build it: except the LORD keep the city, the watchman waketh but in vain. (Are you aware that God intervened many times and used weather to Change the Tide of Wars) Psalms 127:2 It is vain for you to rise early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep. (It is vain for you to keep feeding on sorrows caused by loss, or disappointments, or other misfortunes suffered by your own doings or others) Why? Cause it changes nothing and yet, it can cause unrest, take away away your sleep and release all kind of poisonous chemicals in your blood stream that will begin to slowly break down your immune system and penetrate your defense mechanism to create all manner of diabolical diseases in your physical body...  
WHAT IS THE OPPOSITE? TRUST GOD AND CAST YOUR CARES UPON HIM...  
WHY? HE GIVES HIS BELOVED SLEEP!

How does the Lord Build the House?

"Therefore, whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: and the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. And everyone that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: and the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it."

Psalms 27:4 One thing have I desired of the LORD, that will I seek after; that I may dwell in the house of the LORD all the days of my life, to behold the beauty of the LORD, and to enquire in his temple.
