

## 12 Ingredients To Make A Perfect Day.

Wisdom is the Principal Thing

WED NIGHT I WILL BE STARTING A NEW SERIES ON SPIRITUAL WARFARE...

DAN 10

1- Knowledge is NOT THE KEY TO SUCCESS. IF IT WERE, EVERY 8TH GRADER WOULD BE A SUCCESS. AND EVERY HIGH SCHOOL ETC. AND EVERY COLLEGE GRADUATE WOULD BE A LITTLE GOD. BUT THE TRUTH IS, THAT ONLY 3 PERCENT OF COLLEGE GRADUATES ACTUALLY SUCCEED.

CAUSE WISDOM IS THE PRINCIPLE THING AND NOT KNOWLEDGE  
WHAT IS WISDOM?  
WISDOM IS THE GOD GIVING ABILITY TO APPLY KNOWLEDGE ACCURATELY AND FOR RESULTS.

1- WHERE CAN WE FIND WISDOM? IN GOD!

THE BOOK OF PROVERBS IS THE BOOK OF WISDOM  
BUT JESUS CALLED THE LOGOS OF GOD, THE WRITTEN WORD, THE WISDOM OF GOD.  
GOD AND HIS HOLY WORD IS THE FOUNTAIN HEAD AND TRUE SOURCE FOR ALL WISDOM AND KNOWLEDGE

2- BUT LETS GO DEEPER YET!  
I COR 1:23-31 READ IT

3- Col 2:3 In whom are hid all the treasures of wisdom and knowledge.  
THERE ARE DIFFERENT WAYS THAT I CAN PULL UP SOME OF THIS HIDDEN WISDOM  
AND BY THE WAY. THIS WISDOM IS HIDDEN NOT FROM THE RIGHTEOUS, BUT FOR THE RIGHTEOUS...

4- Pro 18:4 The words of a man's mouth are as deep waters, and the wellspring of wisdom as a flowing brook.  
I BELIEVE Praying in the Holy ghost is one of the ways you can drop the bucket of your tongue into the divine well of God's wisdom

5- DOESN'T THE BIBLE SAY. Pro 9:10 The fear of the LORD is the beginning of wisdom: and the knowledge of the holy is understanding.  
ACTUALLY, EVERY EXCEEDING GREAT AND PRECIOUS PROMISE OF GOD IS AVAILABLE TO EVERY PERSON ON THE FACE OF THE EARTH.  
WHY IS THAT? JOHN 3:16

JESUS DIED FOR THE WHOLE WORLD. AND WHOSOEVER COMETH TO ME, I WILL IN NO WAY CAST HIM AWAY... NOW HERE IS A TRUTH THAT CAN LIBERATE YOU.

WHY IS JESUS THE ONLY WAY TO GOD THE FATHER?  
WAS IT BECAUSE GOD WAS BEING HARD NOSED ABOUT THE WHOLE THING??? NO, A THOUSAND TIMES NO.

WHY THEN? BECAUSE WHEN ADAM FELL, HE POLLUTED EVERYTHING IN THE ENTIRE UNIVERSE INCLUDING HEAVEN ITSELF. EXCEPT FOR GOD THE FATHER AND JESUS THE SON.

AND SO THE SON WAS THE ONLY MEANS OF SACRIFICE FOR SALVATION. IT WAS A MYSTERY HIDDEN IN GOD.

HAD THE DEVIL KNOWN ABOUT IT. HE WOULD HAVE ATTEMPTED TO BLOCK THAT AS WELL.

BUT THANK GOD, HE DIDN'T. FOR THE BIBLE SAYS, HAD THE PRINCES OF THIS WORLD KNOWN, THEY WOULD NOT HAVE CRUCIFIED THE LORD OF GLORY.

THIS IS WHY JESUS SAID, I AM THE WAY, THE TRUTH, AND THE LIFE. ETC...

(PROV 4:18)

But the path of the Just is as the Shinning Light that Shines more and more unto the Perfect Day. I Truly Believe my Latter shall be Greater.

Didn't Jesus say, He always saves the Best for Last?

I Decree over you today. Your Latter shall be Greater!

I Love This Scripture

Psa 92:13 Those that be planted in the house of the LORD shall flourish in the courts of our God.

Psa 92:14 They shall still bring forth fruit in old age; they shall be fat and flourishing;

Psa 92:15 To shew that the LORD is upright: he is my rock, and there is no unrighteousness in him.

START HERE... 2023

1- Today, i will like to talk to you about 12 ingredients that will help you Create... What I call The Perfect Day! Now, I'm not talking about living a life without conflict or challenges, but a lifestyle where conflict and challenges are turned into Stepping Stones instead of Tombstones.

A Life where I Treat Every Day As a Gift From God!

I BELIEVE Life is Meant to be A Journey To be Enjoyed. And not A Burden to be Borne!

Not just a life of mere existence. But a MEANINGFUL life.  
A LIFE filled with divine purpose. A life Worth Living!

I BELIEVE WE ARE HERE TO MAKE a Difference in OUR World and Generation -  
I BELIEVE, GOD DESIRES US TO BE a Major World Player on the Stage of Life!  
A GAME CHANGER!  
A HISTORY MAKER!

You see, I have Discovered, that if you don't take charge of your life. Somebody else eventually will. And i'm not gonna let that happen. So Lets Begin... (Go to Second Start)

You Need to Know, that The First Decision of every day, is the most Important decision. Obedience then, begins at Wake Up. Actually, it really begins by going to bed at the right time! I always fall asleep communing with God...

Go to Second Start!

The Lord showed me, my life was like a train on a track. And Along the Track of Success, he scheduled Cities of Accomplishments. Things for me to do, Destinations to reach, Projects to finish.

1- When there was Progress there was Pleasure. When there was no Progress, there was Frustration. Frustration many times is an indication, that we're doing things in the strength or energy of the Flesh. Because for the most part, When we're operating in the Grace of God, or in the area of our gifting's and calling, we will experience the Anointing of Ease!

Now There might be hard work involved, but with it, there's a Supernatural Joy confirming you're in the will of God.

2- We are created for movement not arrival (The Staves in the Tabernacle Furniture are symbolic of this truth. This is why they were never to be moved!

(Remember, In Him we live and move and have our being)

3- Completion is not a state you enter, it's an Experience that you move through. We complete and we Begin, We Complete and we Begin... It is the Cycle of life.

4- Angels taught my friend, that a Day is like a Circle, and at the end, you could look at that day and see what it was, and then God Draws another circle for you to Start all over again, Meaning, that God gives us chance after chance after chance.

And after God gives you one day, even if you fail, He Draws another circle, and gives you Divine strength and Grace to try again, and Again. Aren't you glad? Say after me.

His mercies are new every morning! Actually, His mercies are from Everlasting to Everlasting. His very Throne is a Throne of Mercy and Grace! glory to his Great Name!

And so Your life is like a Train on the Track of Success. Each morning he gives you 24 Golden Box Carts

And what you place inside the golden box Cars determines if your train moves forward. It determines the distance, and the speed in which you reach the next Season of Accomplishment

If you don't decide what goes into the 24 Golden Box Cars, somebody else will decide. The ten O'clock Golden Box Car, the 11 O'clock etc, if you don't fill up those 24 Golden Box Cars with necessary Ingredients, you will arrive at the next destination with something lacking.

## SECOND START!

I believe the challenge of life is to create a Perfect Day. Why? Your Lifetime is a

Collection of days... last night I taught... Your World  
People...

is a Collection of

Yesterday is over, is in the Tomb, usable only for the School of Memory.

Tomorrow is not here, tomorrow is in the Womb.

Your life is Today! And I Strongly believe, it is our responsibility to to make the most of everyday!

Here are 12 Ingredients to Create a Perfect Day. I Believe everybody requires at least 5 of these 12 Ingredients.

Now, let me caution you... don't make a Law out of this, Cause that will put you in bondage. But little by little, LEARN TO discipline yourself, until you're daily routine is the Routine of a Champion in Christ. (Go to 3rd START)

(2 Peter 1:12-15)

Wherefore I will not be negligent to put you always in remembrance of these things, though you know them, and be established in the present truth, yea I think is meet, as long as I'm in this tabernacle, to Stir you up by putting you in Remembrance.

Now here's The first ingredient for a Perfect day, and remember, if you can create a perfect day, and then duplicate it, you can create a Perfect Lifetime.

(Third START!)

I am convinced, that what you do Daily Determines what you become Permanently.  
For You ARE What You Repeatedly Do. Excellence then, is not an Accident...

Someone said, Uncommon people do Daily, what Common people do Occasionally.  
And Man... that's a mouthful... Say, I am a Champion through Jesus Christ...

Here's an Amazing Revelation. Are you aware, that Men never decide their future, No, they decide their habits and their habits, then, determine their future.

I have discovered, that Something you're doing daily can be creating a Disaster in your life and future...

On the other hand, something you're doing daily can be creating a Miracle in your life and Future...

I can literally trace every failure to something that occurred daily in a persons Mind, Body or Home

For Example

1- If you fail Morally, I can trace it to something that occurred daily in your mind

2- If you fail Physically, Health Wise, many times, I can trace it to something you were doing daily Physically

(Like eating wrong foods - not getting enough sleep or not exercising consistently)

3- If you fail in your home, I can trace it to something you did or failed to do in your life.

Go To 4th START

Now here is an Amazing truth all Believers need to know  
GOD IS RITUALISTIC, HE'S VERY CEREMONIAL, AND YOU MUST UNDERSTAND THAT ABOUT GOD. HE'S NOT SPONTANEOUS, it looks like he is, But He's Not. WE ARE. Because DISCOVERY is what MAKES YOU SPONTANEOUS. But GOD ALREADY KNOWS EVERYTHING

THE REWARDS OF STRUCTURE, IS THAT You Get To TASTE THE FRUIT Of MOMENTUM. UNDERSTANDING THE REWARDS OF MOMENTUM...  
MOMENTUM SIMPLY MEANS THE MULTIPLICATION OF THE ORIGINAL.  
IT IS THE SECRET OF ELEVATORS, THEY KEEP GOING. IT'S THE SECRET OF THE BALL THAT KEEPS ROLLING. BUT THE TRUTH IS, THAT MOST OF US NEVER TASTE THE REWARDS OF MOMENTUM.

POOR PEOPLE DON'T. THAT'S WHY THEY DON'T HAVE ANY MONEY.

POOR PEOPLE DON'T LEAVE WILL'S, SO THEIR CHILDREN NEVER ACCUMULATE. ONLY THE WEALTHY HAVE LEARNED THE SECRET OF ACCUMULATION.

(THE CONDOS IN BERMUDA NOT FOR SALE BUT FOR LEASE FOR 100 YEARS)

AND THAT IS IN HONORING THE PREVIOUS GENERATION THAT THE WEALTH IS PASSED ON. AND OVER HALF OF ALL THE WEALTH OF THE POOR, AND THE MIDDLE CLASS, GOES BACK TO THE GOVERNMENT. Why? They never write out their wills!

(4th START)

1- The first ingredient is Preparation. You have to prepare for the day  
I Love to Start the day off with Thanksgiving - Then I Must prepare for the day with Prayer and Daily Bread. (why daily manna?) Cause he wants you addicted to his word! Why daily Prayer? Cause He wants you addicted to His Presence!

(Song of Solomon 3:1) By night on my bed I sought him whom my soul loveth:  
I sought him, but I found him not.  
I will rise now, and go about the city in the streets, and in the broad ways I will seek him whom my soul loveth: I sought him, but I found him not.

He wants you Addicted enough, to sometimes loose sleep over his Presence.  
He wants you Addicted Enough, to sometimes have you Fast for his Purposes to be Revealed and Manifested  
He Wants you Addicted Enough, for you to Run Hard After Him, Until You know and are willing to Do His Will  
He Wants You Addicted Enough, For you To Put Him First, In every area of your life including Your Finances!

GO HERE!

I Have learned that you cannot have a Great Life, unless you have a Pure Life, and you cannot have a Pure Life, unless you have a Pure Mind, and you cannot have a Pure Mind, unless you Wash It Daily through the Washing of Water By the Word and Prayer. (EPH 5:26)

Because Two things did not get saved when you got saved. Your body and your mind!

- 1- What am I to do with my body? (I COR 9:27) I Keep my Body Under!
- 2- what am I to do with my Mind? Renew it! How? (ROM 12:1-2) be not conformed to this world but be ye transformed by the Renewing of your mind. So that you might be able to distinguish between the
  - 1- Good - Ordinary - this is the starting level. It is Satisfactory.  
It is literally considered mediocre - Or getting halfway up a mountain.  
30 fold - Outer court
  - 2- Acceptable - Better than mediocre but less than excellent! Respectable...
  - 60 fold - Holy Place
  - 3- Excellent - First Class - Superior... 100 fold - Holy of Holies.

4- Remember, we are talking about Preparation. And to Prepare is to get Ready!  
The first thing I do, in order to get myself ready to have an Amazing day in Him is!

(PS 118:24) I Begin to Boldly Confess, this is the day that the Lord has made, etc...  
I can do all things etc... I'm ready for anything equal to anything etc...

5- Here's something else I do. I never dress myself based on how I feel, But rather, I dress myself based on how I want to feel. By doing this, I'm letting my feelings know, I'm in Charge, not You...

6- now, here's something else. if I'm going to stay in my room to Pray and steady, I have learned to create an Awesome atmosphere. why? The Atmosphere you create determines what grows or dies in you.

THE ATMOSPHERE YOU CREATE DETERMINES YOUR LOVE FOR LIFE...

I know some, who love a room that's filled with Fragrance. Others, have to have music playing, etc... And It just won't happen automatically, so it's up to you.

7- I Also don't like looking at dirty clothes and at an unkept room around me. Why? Believe it or not it will eventually effect my spirit. I have to prepare what's around me, cause what I see determines what I desire, what I see determines what I feel, what I see determines what I pursue. I need to LEARN TO CREATE MY WORLD... I'm preparing for the day. And so what I see is vital... So you must remember, Preparation time is never wasted time.

How about preparing for the day by spending time in the Word. By spending time in Prayer! In Praise and Worship...

Benson Idahosa taught me something about preparation I will never forget...

He said, Son, never forget this; Prayerful, Preparation, Prevents, Poor Performance.

Since then, I also developed my own saying. Here it is!

Prayerful Preparation, Precedes, Powerful Breakthroughs

King David said it this way, all kind of stuff is going on all around me, but I give myself to Prayer

The Apostles said, But we will give ourselves continually to the Word of God and Prayer and as a result, they turned the World upside down...

Your commitment to Preparation will eventually determine your Level of Performance.

Are you aware, that a concert pianist will practice Hundreds of Hours, for a One night Performance!

An Olympiad, will practice months and sometimes years, for a one time Race or Swim...

Some Preachers will invest 20 - 30 hours to Prepare for a 1/2 hour message....

Jesus himself was in Preparation for 30 years before he was anointed for Divine Service... How Big is your Desire For Change?

Learn to Prepare for the day. Get ready to Make every day Special, Every Day a Great day!

All my life, I heard people say, have a nice day. Then one day, it hit me...

No, No, I won't leave it to chance... I will Make it a Great day!

I will do it on purpose, in Jesus Name. And since that day, my life began to change for the better and I believe it will for you too...

## 2- The Second Ingredient is Organization!

Keeping things in order. Order means, the accurate arrangement of things.

Our God is a God of order and not confusion. I have learned that in the work of God, I have discovered, that in the work of God, Structure is just as important as Prayer.

So If it's not worth planning, then, it's not worth doing.

The law of sequence is very important. This Law says, What you do first, determines what God will do next...

What is the purpose of order?

The purpose of order is to create comfort and productivity.

The reason your nose isn't on the top of your head is because you'd drown when it rains. Or Can you imagine, Eyes on the bottom of your feet. OK, Who's coming I don't know, hold on a second. Let me pick my feet up and see!

And so Order! It's vital for Forward Movement and Success....

I Have Discovered, Pain is the proof of disorder. For Example, If a bone or a joint is not in it's proper place, it becomes a very painful experience. It becomes the proof something is not in it's proper place. This Can Also Happen, physically, Financially, or even relationally...

For Example, If a husband or wife is not in their proper place, it can also be a very painful experience. In an office, if someone is not in their proper place, it becomes a very painful experience. Well, it is no different with Church or the work of God...

Organize Your Day, Organize your room, Your Office, Organize your life, place things where they belong. And stop Hurting yourself... Get rid of Clutter!

Remember, our God, is a God of Order. This is why the Universe is still running Smoothly.

Invest time in organizing your day. Time is priceless-irreplaceable

And You need to also Educate others about the value of your time!

Don't ever give Critics or faultfinders your time. Save your time for those who strongly pursue your presence and celebrate your life...

## 3- Elimination-you have to eliminate those who do not qualify for your time

Learn to get Rid of things or Eliminate things and people that do not bring Increase

4- The average person does not have a great goal with his life. The average person salters into each day... And so Learn to major on your majors, and not on your minors. The uncommon person Eliminates from his daily schedule that which does not bring increase.

In order for this to become a reality, you must Discover the Core Product of your life. Jesus knew, he said, I must be about my fathers business.

Where are you headed? What really matters to you?  
Whose tears affect you? Who's smile brings you Joy?

Develop Golden Circles in your life! The people closest to your heart are Circle number one. And so, you never move to circle number 2 until you're done with circle number one.

5- Here's something i learned concerning elimination. Never write a letter when you can make a phone call. Never make a phone call when someone else can do it for you

6- when you become conscious of time, you become conscious of life. Time is Priceless. Irreplaceable! And you also need to educate others about the value of your time!

7- I never met a poor person that was conscious of time. On the other hand, i Never met a wealthy person who wasn't.

8- time is the only gift God gave you to exchange for anything else you want. even the prize of his Presence is the investment of time. Literally, you can't even know God without the investment of time.

9- God didn't give you friends he gave you time. You invested time in people and it created friends. God didn't give you money he gave you time. You went to someone who had money and said, if you will give me your money I'll give you my time.

10- Everything you have you traded time for. Everything you don't have, you were unwilling to trade your time for. I don't care if it's a small waste or a clean car

11- never schedule a meeting without a desired outcome. I have learned, that if a person can't tell you in a sentence what they want, they don't know what they want. And if you don't know what you want, I can't help you...

12- many times it is very difficult deciding what you won't do or what you can't do, but if you will live the overcoming life you must be decisive in making these type of decisions. And this is where Prov 3:6 comes inn, In All Thy Ways Acknowledge Him, And He Will Direct Your Paths!

13- are you aware that 97 out of 100 people do not plan a day.  
And it is vital that you learn to Eliminate what does not belong

14- everyday you must Eliminate things you cannot do, places you cannot go, people you cannot see, and phone calls you cannot make etc...

4- Motivation. Create your own cheerleading section. Certain books, certain tapes or CDs, certain people, and certain places, that when I see them or hear them, I'm Stirred. I must stay motivated. Stirred....

Motivation. Why you do what you do!

To motivate is to give a reason for! A reason for pursuing my future.

I need the energy, I need the stirring. You see, I need to create around me, and Feed my life with what keeps me Motivated.

(For Example, I began to fast TV and after 11 days, my spirit man began to hunger for the Message of Love, in particular a message by Kenneth Hagin... I can't begin to tell you how it Motivated me. And then, you must Define what and who Demotivates you, and quickly eliminate them...

1- Who inspires you? who unlocks Hope in you? Who unlocks answers in you? Who unlocks strength? Who is God presently using to Move You Forward?

2- who is God using right now? There's your Motivator!

3- Let go of people who don't Motivate you.

I have discovered that people will either add to or subtract from your life. And it is vital that you begin to define who is who in your life. Remember, you are Developing the Life style of a Godly Champion. You're Now going for the Gold. Good is not good enough any longer, because you have discovered that better is possible!

To Hold on to people who demotivate your life. It's not wise. it is called Displaced Loyalty

But mark those who put a charge into your life and highly motivate you...

Remember the circles around your life. And don't help circle number 2 until you have finished helping circle number one. Define your circles. What do you mean Pastor? I'm going to help my children before I help my neighbors children. Etc. Etc... I need to minister to my family before I minister to the Church. I'm going to minister to the church before I minister to the Community...

(Jesus made great distinction between people) he had Five Golden Circles!

5- Delegation

1- Never do what another is capable of doing better

2- Never do tomorrow what another is capable of doing now

3- Delegation is not just Dumping a task on another, but is the appropriate placement of a task in the hands of someone more qualified to do it.

4- now listen, they're more qualified cause they can Do It Now!

5- they can do it at a less Expense!

6- you have to become conscious of time if you're going to learn to delegate.

7- let me give you an example, a preacher mowing the lawn or cleaning the Church, may look like he's a humble man. But the truth is that anyone in the church can do that. He should be spending that time with the Lord. He belongs in the Presence of Jehovah God

(Personal example mowing the lawn) but that is not the highest use of my life.

Remember, Nobody else can spend my time in his presence, hearing his voice, loving the Saviour.

8- You need to Start treasuring your hours. Start treasuring your moments.

Stop discussing with others what doesn't matter. What doesn't bring increase. Stop involving yourself in worthless talk and ventures.

For example. Sun night after service I began to talk about a movie I had gone to see. When instead I should have been asking questions about Worthy things. Things that were Eternal.

God rebuked me and told me I was selfish and self centered. (Fast TV) and then he told me I was worldly (talking about a car and movies) when I had at my Disposal one of the greatest Bible expositors in the World, shame on me. But Hank God we are all growing, can you say Amen...

9- find out what truly matters in your life, and then major on it. Remember, delegation is part of training, it is part of mentoring.

10- (this is vital) In delegating things to people. You must Separate the task from the person.

11- God doesn't use people to produce tasks. He uses task to produce people.

Never use people to create goals but rather use goals to produce greatness in people

12- we use goals not just to expose the weaknesses of people but to Produce greatness in people, never ever forget that...

6- Impartation

There has to be Impartation. What do you mean?

1- You have to teach someone what you know! And What you teach you remember.

It's the law of sowing and reaping. What you give away, you keep. What you keep you'll eventually loose

2- Rom 1:11

3- Deu 34

How does one Impart?

1- Words

2- laying on of hands

3- Association

4- by Example (I Thess 2:7-8) (Acts 4:13)

Impart to others. Empty yourself in others. You need to Empty your Love. Wisdom.

Caring. Strength. Compassion. Your correction. Real IMPARTATION will only occur with those who are willing to learn from you...

You are a teacher. You may not think you are, you may not feel like you are. But you're continuously teaching everyone around you. You're teaching them about another world they can move into. You're teaching your children, everyone around you. And you must see yourself as a mentor

Not only a learner but also a mentor. You are a teacher. Again, Who do you teach?

Those that have a passion to learn from you. Those that you find difficult ministering to, is mainly because they're not willing to learn from you... Don't waste your time. This is one of the reasons Jesus never had a Sadducees and Pharisees conference. Why? They were not interested...

Never waste your time with uninterested people. They will drain you and not reward you...

7- Meditation. The picture is the cow chewing his cud.

What does meditation mean? It means muttering quietly to yourself.

Why do you want to talk to yourself? Cause you're the most believable person in your life.

You believe what you say before you believe what anyone else says. Talk to yourself.

Paint pictures of where you're going.

Take the brush of Prayer. Dip It into the ink of God's Word, and begin to paint a New picture on the Canvas of your Imagination.

Never say something you don't want to believe

Never say something you don't want others to repeat

Never say something you want others to forget

The most important thing in your life is the entrance of the word of God into the soil of your mind. I cannot change your life until I change your passion for the word.

You need to set up time for meditation until it becomes a habit. At least 15 to 30 minutes a day where you do nothing but think on his word. And you meditate...

Choose a minimum amount of time, not a maximum.

8- Vocation. Which is the problem you've chosen to solve

You need to solve a problem everyday for somebody. Who is it going to be? You need to solve a Problem. You must invest time in solving problems.

This is the law. What you help make happen for others, God will help make happen for you

(EPH 6:8)

Knowing that whatsoever good thing any man doeth, the same shall he receive of the Lord, whether he be bond or free.

Now notice I didn't say, whatever you make happen for others, they will make happen for you.

If you wait for people to make happen for you what you made happen for them. You will be mighty disappointed. No, whatever you do in word or deed, do it in the name of Jesus, and do it unto the Lord. And He will pay you back, and you will not be disappointed. (Uncle's story)

(PROV 11:25) He that watereth, shall be also watered himself.

9- Information. There must be a daily Entry of Information into your life. That's the Wisdom of God. Here are Some keys. The Word is the Wisdom of God. What is Wisdom? Wisdom is the Law of God applied accurately to solve a problem in your life. That's the Wisdom of God  
1- establish a minimum of what you will accept, a minimum, not a maximum, you can rise.  
But establish a minimum of the Word you will read every day.

It's better to read a chapter a day, everyday of your life, than to read fifty chapters one day and then nothing for a week. Because you can't store up the manna. Everyday is fresh.

You need fresh mercy everyday, you need fresh manna, you need fresh understanding, because what ever you truly understand, you will possess.

The most difficult habit of your life will be your habitual reading of the word of God  
There must be fresh information. Information. Discovery creates energy. Information creates hope. And it's important for you to have an entry of fresh information into your life daily.

Pastor do you only read the Word of God? Of course not!  
I read books of men who've achieved something significant. I read books of men who have overcome adversities. I can't begin to tell you the importance of knowledge. Why? Knowledge gives birth to confidence. What enters me determines what comes out of me. Information.  
Knowledge means Awareness. Through knowledge you become aware of Possibilities, Potentials, God's Promises, and Unlimited Power.

Your chosen focus is your world. Your mind is your world. And I can't tell you the importance of information. And everyday, everyday. Read the bible everyday. Read books that will make you better  
Books that will fuel your passion for success. I love quotes. Someone said, those that don't quote, will never be quote it. Read books about your passion about your dream.

Lastly, you can't have a great life until you have a Pure life, and you can't have a Pure life until you have a Pure mind, and you can't have a Pure mind unless you wash it daily through the Word. information...

10- documentation. Verify every fact. All planes that leave don't land. Document instructions and verify things that you're doing.  
Let me suggest something. Keep a daily journal. Write down the things you want others to remember about your life. Keep a diary of your journey.  
Learn to measure your progress and Success...

11- Celebration! Everyday there must be some celebration. Somebody said, next summer we are going to celebrate. I say, that's too long to wait. We are going to celebrate next week. That's still too long to wait. I might not be around next week. Learn to celebrate every day. We're here now.

Let's celebrate now. Every day I take a little time to celebrate. I'm learning how to daily celebrate. Now, how do you celebrate? Everyday, many times after work, I take a little time out to celebrate God's goodness in my life. How? Sometimes I eat a little ice cream. Or I treat myself to a special restaurant, or I'll watch a favorite movie, or make an overseas call to a treasured friend.

At other times I'll just light me a candle and just sit in God's presence doing nothing but being thankful. Sometimes I might just want to take a bubble bath. Just go to my favorite park and enjoy the scenery. Sometimes, it's just enjoying the smallest little things that make you giggle.

Spend a few minutes celebrating the fact that you survived, and make it through a rough day.

Sometimes, just a cup of Hot Coco or a shot of espresso or a bite of a chocolate treat or reading quotes or looking at one of my collections, whatever it is that you can do to help you celebrate

Learn to do it everyday. Set the time aside to celebrate and put some fuel back into your own life. I have learned that if you wait for others to do it for you, you may have to wait a long long time... Sometimes I Celebrate by Buying a gift for someone I love, and seeing their face light up. Oh thank God for the gift of life. So I urge you to take the time to celebrate, even if it's just a few minutes everyday and watch what happens. I think birthdays ought to be a huge thing in one's life, that's why God told me to Buy cupcakes and help celebrate people's birthday every Service. You ought to see their faces! Oh I Love to Celebrate... Ritual is very important in the lives of extraordinary people. Ritual keeps you focused when distractions are occurring. It keeps you steady. And Celebrating ought to become a part of your daily ritual or routine...

12- Restoration! Every day there's got to be a time of Restoration

Sleep is one of the greatest way God is able to restore you. Rest time is Restoration time.

You have to have it. (PS) He gives his beloved (Sweet) sleep. Jesus said to his disciples, come ye apart and rest a while, or you will come apart. (They that have believed enter into Rest) Rest is Vital for restoration. Here's what I've noticed when I don't get Rest. I stop looking at the miracles in my life and I start looking at mountains. When I don't get enough sleep, devils look bigger, angels look smaller, people look mean. My whole concept of life changes when I don't get rest and I'm tired. I'm not even the same man. But when I'm rested, it's like when I get a massage.

I want to forgive the world, I'm a new man when I get the proper amount of rest. You forgive people that have done you wrong, you look at your goals differently, you look at

your life differently. The bible talks about Satan wearing out the saints, and that's exactly what he would love to do to you.

You see, What he can't stop, he will accelerate in your life. If satan can't stop you from achieving a goal, he'll get you so involved with it that you can't rest because of it.

Someone just told me that 72 per cent of Pastors in great building programs leave their church within 24 months. Why? They're tired. They're worn out. And they don't take time to rest.

Take time for yourself to rest. Daily, daily daily.

I believe that most people who fail in life, fail because they just got tired.

I have discovered that when Fatigue Walks Inn, Faith Walks Out!

You need to take time out to rest. Everyone say, restoration time is healing time.

Revival time.

Look at Elijah! After doing Amazing feats. He allowed Fatigue to Walk inn. And once it did. faith walked out. And he found himself running from a woman. (IKings 19) Look at him. Can this be the Mighty Prophet Elijah? Yes! When fatigue walked inn, he asked God to take him home. Elijah, the bible says, slept for 2 whole days. Listen to me. Rest is Vital if you're going to Accomplish all the will of God in your Life. Everyone say Rest! Make up your mind to push off of you everything that will attempt to rob you of sweet sleep in Jesus Name!!! (Jack Coe)

Anxiety! Worry! Fear and Torment! Etc... You must learn to push these things off of you and enter into his Rest!
