November 2022 Vol. 31 No.10

#### A note from Pastor Karla...

Years ago, when I worked as a wilderness instructor in upstate New York, I had the unique experience of bushwhacking through a dense forest. Bushwhacking is essentially traveling from one place to another without the gift of a previously blazed trail. What began as a fun experiment with large machetes and a team of colleagues quickly turned into panic when we discovered that our compass and map skills were not as good as we had thought. Somehow, we had followed the wrong coordinates and ended up a half a mile west of our final destination. By the time we discovered our mistake, our water, food, and

patience was running thin. Thankfully, it was the summer, so we were able to find a way out before the night enveloped us. But I will always remember that experience as one I would not like to repeat.

#### Charting unknown territory is difficult.

When we apply this to the Christian life, the same holds true. It is difficult to forge into unknown places. Every 500 years the church seems to be at a crossroads of definition and identity. We are at one of those turning points right now. While the center of our faith, Jesus Christ and the Way of the Cross, remains the same we, at present, have to share that message against the backdrop of an anti-religious, anti-institutional tide. This is new territory

All are invited to enjoy lunch, the Navy Band Southwest Brass Quintet and inspirational message from Navy Chaplain James Kim. The event will take place in the FLC. Suggested donation \$5.

3. We inspire engagement.

#### Session Highlights October 26, 2022

The Session learned about a successful grant application to the Department of Homeland Security for reimbursement of up to \$150,000 of campus security expenses. Director of Operations Jolene Wade, who has faithfully pursued this grant and many other benefits offered to non-profits, will be joined by Elder Jason Pritchett and Youth Director Michael Lombrano as church representatives for this program.

The Session authorized six more months of operation for the refugee shelter on campus, and learned about the progress of the Haitian family living with us.

Renovation Task Force Chair Elder John Brand updated the Session on progress of the airport's Quieter Home project which will help reduce aircraft noise in church buildings. A mechanical engineer has been retained to review the plans and make

recommendations. Millions of dollars worth of improvements are being offered.

Finance Chair Elder C. Gresham Bayne and Pastor Karla led a discussion on the budgeting process, which is now underway for the 2023 budget. As part of its ongoing restructuring, the Session is considering starting budget planning in the spring rather than the fall, providing much more clarity for the fall stewardship campaign.

The meeting closed with conversation about and a prayer for those in need in our community.

for the American Church. Yet, it does not change the good news of grace we have to share, nor does it change the deep need of hurting people in our world who we know would benefit from this life-saving message.

#### It may feel sometimes that our compass and map skills are diminished in this new territory but, what I am most thankful for in this season of giving is that we are not the first to walk this path.

We do not have to bushwhack here. The path has been heavily trodden. We stand on the shoulders of the past generations who gave of themselves to build this church to the glory of God. We are benefactors of their faith and sacrifice. So even though the terrain is different, the process is not. We owe that same commitment that our ancestors showed to us. We give of our time, talent and treasure, not only for the generations which will follow us, but for the generation located right outside our walls who is lonely, living without a deeper purpose, and desperately needing the grace of Jesus Christ.

## Thank you for joining me in this season of giving by returning your commitment cards to the church by November 20.

I cannot wait to see what God will continue to work in and through us this coming year!

Pastor Karla

#### New Monday Series Begins Nov. 7

No one likes when things are overcomplicated. Need me to prove it? Well, have you ever stressed over instructions for assembling a coffee table or maybe wrestled with a device you didn't know how to turn on? We like when things "just make sense." Too bad faith rarely seems that simple. But what if it could be? What if, in some ways, we've overcomplicated faith? In our new series called *Simplify*, we'll be exploring what Jesus said matters most when it comes to our faith. By the end of these 4 weeks, we'll all be able to breathe a little easier knowing that Jesus came not to complicate, but to simplify what it means to have faith in God. We look forward to seeing you there!

#### Bonfire November 5 from 5:00-6:30 pm

One of the worst days is soon upon us...Daylight saving time ends on November 6. However we will celebrate the longer days of summer one last time before accepting the darkness.

On November 5 we will have our **Goodbye Sun, Hello Sleep** bonfire at Tower 5 in OB (next to the dog beach). Join us from 5-6:30 PM while we will watch the sunset together one last time before we turn our clocks back and gain an extra hour of sleep. Dinner and s'mores will be provided and we will play some games together.

The Deacons delivered these gorgeous flowers to Cora Hamilton in celebration of her 100th birthday. She was watching the Chargers play football when the flowers arrived. Her daughter was arriving from England to help celebrate. We should all be so lucid when we reach 100.

Bill White is stepping down from the New Covenant Choir after 40 years of faithful singing. His daughter Susie Dhus came by to help mark the occasion. Bill recalls that in April 1949, his Junior High Sunday School class was taken into the sanctuary. The students were part of a ceremony and then told that they we were now members of the church. Thus began Bill's commitment to the church. His graduating high school class decided they wanted to continue their church meetings after graduation and started what they called the College and Career Club. The club met weekly for several years. In the early 1980s Bill joined the Church Choir and has participated in it now for about forty years. He and wife, Judy's children grew up at PLCLC and are both now leaders in their Presbyterian Churches (Ron in the Spokane, Washington Presbyterian Church, Susie in La Jolla Presbyterian Church).

We are so grateful for Bill's dedication to the New Covenant Choir and PLCPC.

## Worship and Arts Updates

There's never a dull moment in the Church office! How many HVAC techs did it take to repair the AC in the staff offices?

A huge shout out to the Men at Work who recently scraped and repainted all 10 of the outside sanctuary windowsills.

Women's Retreat January 27-29, 2023 Island Palms Hotel & Marina

pointlomachurch.org/register

We are excited to welcome Sarah Butterfield as our speaker at the 2023 Women's Retreat. Sarah, M.Ed., is an author, speaker, and educator who has a heart for empowering women to grow deeper in their faith and be intentional with their time. Her writing has been featured in *The Joyful Life* Magazine, MOPS International, *Relevant* Magazine, and *Red Letter Christians*. Although she grew up in France as a missionary kid, she and her husband and two boys now live in Point Loma where she loves getting lost in a book and overindulging in ice cream.
