Christmas to me,
Extended family get togethers
Uncle Bob who doesn't know better
And home alone. 1 or 2?

Christmas to me,
Is the sound of present paper
The lights from all the neighbors
And sitting fireside

I don't know what this holiday looks like through your eyes
Is it everything you hoped and dreamed?
We all have a different reason for our feelings in this season
Take it in, who you have, where you're at
And call it Christmas to me

Christmas to me
Is sledding in the backyard
Drinking cocoa with my brother
And cookies by the tree

Christmas to me
Is missing mom and dad and grandma
Big dinners and the egg nog
And hearing grandpa read

I don't know what this holiday looks like through your eyes
Is it everything you hoped and dreamed?
We all have a different reason for our feelings in this season
Take it in, who you have, where you're at
And call it Christmas to me

Christmas to me
Is Candles lit up in a service
Singing Carrol's in the old church
Like Silent Night again

Christmas to me
Is Jesus laying in a manger
That baby was a game changer
For me, for you and all our families too

I don't know what this holiday looks like through your eyes

Is it everything you hoped and dreamed?
We all have a different reason for our feelings in this season
Take it in, who you have, where you're at
And call it Christmas to me
