

HOLD IT TOGETHER

Aaron Dahl, Angi Holvig, Josh Clutter, Mark Alan Schoolmeesters

VERSE 1

I've searched the world to find
Heartache is running wild
This place is upside down
But You, still hold it together

VERSE 2

I've lived for worth and gold
meaning that I can hold
But as it all unfolds
I see, You hold it together

CHORUS

All I want
All I need
It's satisfied when You are here with me
I am whole
I am free
Jesus I will trust that You are all I need

VERSE 2

meaning that I can hold
But as it all unfolds
I see, You hold it together

All I want
All I need
It's satisfied when You are here with me
I am whole
I am free
Jesus I will trust that You are all I need

In the joy and in pain You hold it together
In change and in loss You hold it together
In fear and in doubt You hold it together
Jesus You hold it together

In change and in loss You hold it together
In fear and in doubt You hold it together
Jesus You hold it together
