

OH GOD MY GOD (PSALM 63)

Mads, KB, KJ, Chris, MAS

VERSE

I think of You
Remember You
Through the shadows of the night

I sing to You
I cling to You
I am fully satisfied

PRE

Your unfailing love is better than life
Nothing else compares
Even though I try
I will glorify You with my life

CHORUS

Oh God my God
How my soul longs
I will earnestly seek You

Oh God my God
How my soul thirsts
I will earnestly seek You
I will seek You

BRIDGE

I surrender
All of the days of my life
I will worship
All of the days of my life

BRIDGE

I surrender
All of the days of my life
I will worship
All of the days of my life
All of the days of my life

CHORUS

Oh God my God
How my soul longs
I will earnestly seek You

Oh God my God
How my soul thirsts
I will earnestly seek You
I will seek You
I will seek You

PRE

Nothing else compares
Even though I try
I will glorify You with my life
