Have you ever had to deal with a person like Haman in your life? If so how did you?

Would it have been sinful for Mordechai to bow to Haman? Why or why not?

Is there such a thing as luck? Should a Christian use this word?

Haman used truth, half-truth, and lies in his manipulation of the king. Why is this always the tactic of deceivers and how do believers guard against it?

Like the king too easily giving his signet ring to Haman, in what areas do we too easily surrender our authority or power?
