Ambassadors

Fellowship is a key benefit of the Ambassador Class members. Social time includes visiting with coffee or tea, followed by singing, then intercessory prayer, before the lessons commence.

Most participants are retirees. Teachers are typically class members who volunteer to instruct and lead a particular lesson or series of lessons. The class structure is fairly traditional with verbal interaction encouraged.

The class members also plan a number of social activities throughout the year including the June Picnic — a long-standing tradition.

Cornerstone

Participants in the Cornerstone Class generally attend the 9:30 am Contemporary Worship Service. The service may inspire the topic of discussion or the leader may bring a separate issue to discuss. Class members volunteer to facilitate the study and discussion.

Seekers

The Seekers Class is a diverse mix of working and retired members who discuss biblical and contemporary issues in a Christian context.

Class members volunteer to facilitate the discussions. The Seekers are known for their willingness to demonstrate love and respect towards one another even when they have wildly differing points of view.

This class encourages hearty and heart-felt conversations.
