When you love people like Jesus did, you value and serve everyone because they're loved by God

Jesus was a great friend to whomever came across his path because He embodied the kind of love that God has for every one

*Matthew 22:37-40*

*1 Peter 4:8-10*

agape – “prefer another over yourself”

Both the diversity of our gifts but as well the directive, the command to put them into use as faithful stewards of what God has given to you are clearly communicated in Scripture
