1. Jesus embodies the mystery of God

Ephesians 3:1-6; 13

The word “mysterion” is a truth [beforehand] hidden from human knowledge or understanding but now disclosed by the revelation of God.

1 Timothy 3:16

1 Corinthians 2:7

Colossians 1:27

For the person in your relational world who hasn't yet truly heard or understood the “the Gospel” as we've been seeing it in the book of Ephesians, it's still a “mystery” to them.

2. Jesus' Church reveals the mystery of God

Ephesians 3:7-11

1 Peter 1:12

Ephesians 6:12

The fact that as you live “in Christ” in both your salvation and in your mission of being “the Church” in this world, you communicate an aspect of the wisdom and brilliance of God to those who are watching what this Creator of the Universe is up to.

3. Jesus enables us to live out the mystery of God

Ephesians 3:12
