

Eye Spy: Classified Ads

Surveillance Equipment

For Sale: Night-Vision Goggles

Night-vision goggles; used only once. Allow you to see in near total darkness. Call after 6 p.m. (222) 555-1234.

For Sale: Hidden Body Cameras

Hidden body cameras for sale by distributor. Conduct your surveillance without your targets knowing they are being watched. Live video transmitted by wireless signals up to 500 metres away. Types available for wearing hidden in baseball caps, sunglasses or backpacks. Visit: www.bodywc.com.

For Sale: Envelope X-Ray Spray

Espionage Brand X-Ray Spray turns opaque paper temporarily translucent, permitting visibility inside an envelope without opening it. Thirty seconds after application, envelope returns to original state without any markings, discolorations or other indications of use. No one will ever know you've been reading private mail. www.espibrand.com.

For Sale: Spy Sunglasses

Never opened; received as gift. Look and function like regular sunglasses, but lenses enable viewing behind as well as straight ahead. Keep aware of everything going on around you. Contact Gary for more information and photographs. (222) 555-1222.

Computer Espionage Equipment

For Sale: Biometric Face-Recognition Program

Take total control of your computer's secure areas with the biometric program MyFace. Simply scan and record the face of each authorized user with MyFace and a web cam. All recognized users will be granted access to secure areas without need for a username or a password. Unrecognized users will be denied access to secure areas. Order online at: www.myf.com.

For Sale: Keystroke Loggers

A KeyLogg Keystroke Logger records all keys pressed on a keyboard for later recall and software analysis to identify passwords and decode other information. Fits any keyboard cable and impossible to detect. Call today for a free trial: 1-800-KEY-LOGG.

Miscellaneous

For Sale: Telephone voice changers

Need to make anonymous telephone calls? Afraid your voice might be recognized? With our top-of-the-line telephone voice changer, your voice will be so well disguised that not even your own mother will know it's you. Compatible with all land telephones and easy to use: Plug the changer into a wall jack, plug your phone into the changer, and choose the setting for your altered voice.
