

THE LYMPHATIC SYSTEM

Complete this concept review handout and keep it as a record of what you have learned.

DEFINITIONS

- Extracellular fluid is _____

- Lymph is _____

- Phagocytosis is _____

- An antibody is _____

- An antigen is _____

ANATOMY OF THE LYMPHATIC SYSTEM

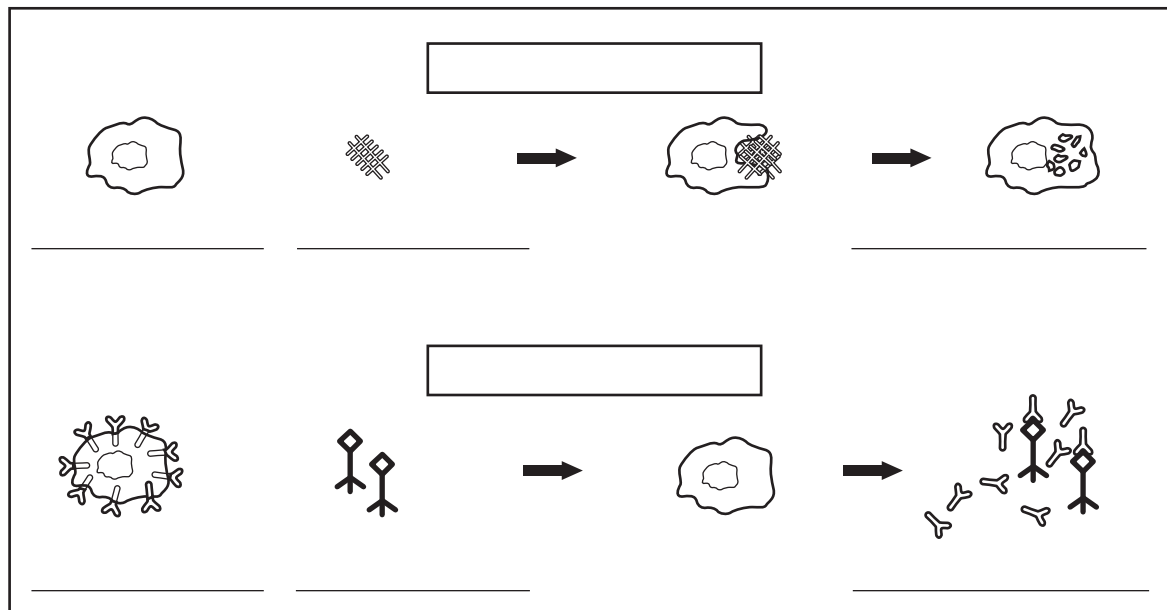

IN DEFENCE OF OUR BODIES

Our bodies are defended by _____

Defence mechanisms

Mechanism	Action
Phagocytosis	

Illustration of defence mechanisms

Characteristics of antibodies

Antibodies are...	Significance
Specific	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
_____	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
