

ANALYSIS OF RESULTS AND IDENTIFICATION OF SUBSTANCES

Types of substances	Codes	Teams	Test for identification of the substances							Substance
			Stations 1 or 2	Station 3	Station 4	Station 5			Station 6	
			Density ()	Electrical conductivity	Reaction of liquid to indicator	Reaction of gas to indicator			Reaction to flame	
Liquid	S1									
	S2									
Powdered solid	P1									
	P2									
	P3									

Types of substances	Codes	Teams	Test for identification of the substances							Substance
