

Categories of the substances	Codes	Teams	Tests for the identification of the substances								Substances	
			Stations 1 or 2	Station 3	Station 4		Station 5			Station 6		Station 7
			Density ( )	Electrical conductibility	Reaction of liquids to indicators		Reaction of gases to indicators			Flame test		Solubility ( )
Dense solids	S1											
	S2											
	S3											
Powdered solids	P1											
	P2											
	P3
