### Two MHS Seniors Commended by National Merit Scholarship Program

Mooresville High School Principal Brian Disney announced that Ryan W. Crafts and Kelsey P. Hawkins have been named Commended Students in the 2014 National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the principal to these scholastically talented seniors.

Commended Students placed among the top five percent of more than 1.5 million students who entered the 2014 competition by taking the 2012 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT).

“The young men and women being named Commended Students have demonstrated outstanding potential for academic success,” commented a spokesperson for NMSC. “These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success.”

Mr. Disney added, “We, the Mooresville High School community, wish to congratulate Ryan, Chelsea, and their families for this tremendous honor. We are proud to have these outstanding students as a part of our student body.
