## Mooreville Schools Earn “A” Rating

Mooreville Schools have received a district grade of “A” on the 2014 Indiana Department of Education Accountability Report Card for the second year in a row.

“We are very proud to have earned an ‘A’ grade from the Indiana Department of Education,” said Superintendent David Marcotte. “This reflects the hard work of our teachers, administrators, support staff, families and students. We will continue to provide laser-beam focus on the improvement process.”

Each of the schools has received detailed reports with information about student achievement. The grades take into account student performance on the ISTEP+ tests (grades 3-8) as well as end of course assessments in

English 10 and Algebra 1 at the high school level. Those reports will be used by school administrators and teachers to help shape instructional programming.
