

The Mooresville Education Association (formerly Mooresville Classroom Teachers Association) and the Mooresville Consolidated School Corporation are pleased to announce a contract agreement which will strengthen Mooresville’s place as an employer of choice.

Leaders with both groups praised the positive and collaborative negotiation process which focused on the well-being of employees. Mooresville teachers ratified the two-year agreement on Monday, Sept. 18. The agreement was formally adopted by Mooresville’s School Board that evening.

The agreement brings back a salary step system for all teachers, which promotes financial growth for our teachers while working within the framework of the state compensation model. Both sides recognize the importance of attracting and retaining high-quality teaching staff for all Mooresville Schools. In addition, all eligible support staff members will receive a raise to their base salary.

A key portion of the agreement, an increase of \$500 toward healthcare premiums, will also benefit all eligible staff members of Mooresville Schools. The school district is one of the largest employers in the county with more than 500 employees.

The leaders of MEA and MCSC thank all of the teachers and staff members of Mooresville Schools for continuing to provide a high-quality education in a safe, nurturing environment for our community’s children.
