Mooresville Schools

Tackling a Tough Issue

The public is welcome to attend an important presentation on a difficult topic. According to a report from the Indiana Youth Institute, Indiana has the highest rate of teens who have considered suicide in the country and the second-highest rate of those who have attempted suicide. Brain/mental health advocate Kevin Hines will speak in the MHS auditorium on Tuesday, Jan. 30, at 6:30p.m. [Learn more here.](#)

Hines reaches audiences with his story of an unlikely survival and his strong will to live. He attempted to take his life by jumping from the Golden Gate Bridge. He is one of only thirty-four to survive the fall, and the only one to regain full physical mobility. Hines dedicates his life to saving lives by spreading the message of hope and sharing his art of living mentally well.

Congratulations go to the 2018 MHS Winter Homecoming royalty: Prince Ethan Wymer, Princess Sadie Mills, King Eli Bunch, and Queen Mackenzie Stevenson. See more Winter Homecoming and Champions Together photos on page 2.
