2018-19 Vaccination Requirements Released

The Indiana 2018-19 Required and Recommended School Immunizations list has been released. Key changes from 2017-18 include:

- Hepatitis A (2 doses) is required for grades 4, 6, and 12 (doses must be 6 months apart).
- HPV has been added as a recommendation for grades 6-12.
- Annual Influenza vaccination is recommended for all ages.

Find the full list of requirements for all grades [on our website](#).

A New Mooresville Record!

The MHS Student Council set a lofty goal for Tuesday's Riley Dance Marathon, but shattered their expectations.

Several student teams were "dancing for those who can't" from 3p.m. until at halftime of the Boy's Varsity Basketball game that night against Bloomington North. The students set a \$7,000 goal, far exceeding last year's \$5,603 benchmark, but shattered that to raise more than \$8,000 by the time their event was over.
