Preserving History

The Mooresville Schools Board and Administration take very seriously the preservation of the historic treasures that involve the two buildings which are on the national historic register; the Academy Building, built in 1861 and the Gymnasium Building, built in 1920. Work is underway by Athletic Floor Services, Inc. to restore the basketball floor in the gymnasium for use by Mooresville youth leagues and community members. Work will also begin soon to restore the unique front windows to each building.

Go Math!

Go Math! Academy™, an online resource for math practice at home is available for all Mooresville Schools students. You will find your Go Math! Parent Claim Code in Skyward Family Access under the Portfolio Tab. If you have multiple students in Mooresville Schools, you will see the link labeled 'Go Math! Claim Code 2019' on the youngest child. Clicking on the link will generate pertinent information. Please note the codes are case sensitive. The assigned claim code works for all of the enrolled students in the family (Grades K-8). You will not need a different code for each student.
