## Promoting Positive Actions

MHS and PHMS students took part in a convocation today about Rachel Scott, the first victim at Columbine High School.

After her death, her father founded Rachel's Challenge based upon Rachel's writings. The purpose of Rachel's Challenge is to inspire individuals to replace acts of violence, bullying, and negativity with acts of respect, kindness, and compassion.

The pillars of Rachel's Challenge include: look for the best in others, dream big, choose positive influences, speak with kindness, and start your own chain reaction.

Families will have a chance to hear this important message at a parent information night tonight at 6:30p.m. in the MHS auditorium. [Learn more about Rachel's Challenge.](#)

# Social Media Safety Night

Last week, Mooresville Schools and the Morgan County Sheriff's Department partnered up for a social media safety event. Officers spoke with parents about the basics of social media, geotagging and apps their children likely use. They also covered cyberbullying, smartphone addiction and self-esteem. Thank you to all of the families who came out and to Captain Worth for sharing this important information. See the [Channel 13](#) coverage of the event.
