Mr. Mike Mossbrucker, Athletic Director

COMMENCEMENT SLIDE SHOW SUBMISSION INFORMATION DUE: FEBRUARY 9, 2019

January 11, 2019

Dear Seniors and Parents:

With commencement in just a few months, it is now time for us to build the content for the commencement slide show. We would like to have as many seniors as possible featured in the show. Please note the following:

- While the senior is recognized, onstage, the senior's yearbook photo will be on the screen. This was taken by Pettit Photography, and has already been given to MHS. If your senior did not have a photo taken by Prestige, then we will use an image of the Mooreville High School Crest.
- We are currently soliciting for photos to be used during commencement as the choir performs. We would like each senior to submit two photos including:
 - One Teen Photo
 - One Child or Baby Photo

Please Note: Seniors must be alone in the photos, and "selfies" are not permitted. You may submit a digital version or a print copy. Prints will be returned, but a digital JPEG is preferred.

**To submit your photos, bring hard copies to Mr. Marine in Room A111
-or- e-mail digital copies to the MHS Broadcast team at:
hs.broadcast@moorevilleschools.org**

We will send a confirmation to notify you that we have received your photos. If you do not receive this confirmation within two weeks, please send your senior to talk to Mr. Marine or Mrs. Clark to confirm that we have your images. Also, submit as early as possible. Due to the extensive amount of time it takes to put this show together, if we do not receive your photos by February 9, then we cannot guarantee that a photo of your child will make it into the show.

Thank you in advance for your participation in this beloved Mooreville High School tradition.

Sincerely,

The MHS Broadcast Team
