

5th Grade Newsletter

March 15, 2019

Message From The Teachers

This week we had our last round of NWEA for the year. Students who met 2 out of 3 of their Goals are invited to a Pizza Party to celebrate their growth! In Social Studies we are continuing to learn about the events leading to the Revolutionary war. In Math we completed a "Math March Madness" project where students chose a college basketball team to analyze the data of their season. Students used the points scored to solve for mean, median, mode and range. Ask your student which college they studied!

Reminders

Staff vs 6th Grade Basketball Game is tonight! Doors open at 6pm and tip off is at 6:30. \$3 Donation for entry.

**Fundraiser Payments
due March 19!**
