- ◆ There are **NO Read & Respond folders** due on Monday, April 1st. I hope you still do some reading during Spring Break, though! We will continue our reading logs this week, as usual.
- ◆ **Report cards** were posted to Skyward this past week. Please be sure to log in to see your child's grades.
- ◆ I sent home **AR reports** this past week that show your child's scores for the last half of the grading period. Please be sure to review those so you know how your child has been doing. The book/score highlighted in blue is the book I read aloud to the class, so that is a listening comprehension score. If your child has a book/score highlighted in yellow, that means it is a book that was read during school with a small group during our reading block.
- ◆ I also sent **SRI reports** home this past week that show how your child's Lexile (reading) score has grown throughout the year. We're seeing lots of progress! The kids know that their end-of-year goal is to get their highest score yet, so I hope they're ready to keep working hard when they come back from Spring Break!
- ◆ Remember to bring your **library books on Monday**.
- ◆ We'll continue (and hopefully finish) our **NWEA testing on Tuesday and Thursday** this week. After all testing is completed, reports will be sent home that show your child's scores for the entire school year.
- ◆ We will be working on our **dividing by 6 and 7** facts this week. Please be sure your child is practicing these daily.
- ◆ Our class' **theme basket** for the Spring Carnival this year is **Man's Best Friend**. We would greatly appreciate any donations you can make to our basket!
