## Weather Reminders

As winter continues, please remember many factors are considered to determine whether it is safe to have school as scheduled, on a delay, or not at all.

Factors considered include road conditions, power outages, temperatures and wind chills (factoring in distances some students walk to school), reports from emergency services, and more. Any delay or cancellation decisions will be announced before 6a.m. and sent to families via Skyward.

## Lights, Camera, Kindergarten!

The search is on for the newest Mooreville Pioneers. Mooreville's Kindergarten Preview Fair will be Tuesday, March 24, from 5:30-7p.m. at Neil Armstrong Elementary. This event gives families a chance to learn about kindergarten, complete needed forms, learn about school vaccinations, and more.

Families who will have children in kindergarten are welcome to begin online enrollment. If your family already has a student at Mooreville Schools, please [log into your Skyward account](#) and complete the "New Student Enrollment" tab. ## Amazing Achievement!

Congratulations go to MHS junior Caleb Disney, who set a goal to raise enough money for a scoreboard for the League of Miracles sports field and just achieved it! See how his perseverance and the help of the community made it happen in this [Fox 59 story](#).

## Board Spotlight: Randy Davis

I have been a proud Mooresville Pioneer all my life. My parents moved here just after I was born and my mother was a teacher at Mooresville Schools her entire career. My brother, sister and I attended Mooresville Schools from kindergarten through graduation. My wife and I sent our five children to Mooresville Schools where they all received excellent preparation for their pursuits after graduation.

I especially appreciate the administrators, teachers, support staff, maintenance staff, and coaches who help to keep Mooresville one of the best school corporations in Indiana. As a Mooresville Board member, it is my job to help set a budget, make policy, hire administrators and oversee the maintenance and upkeep of all the buildings and grounds the corporation

owns. The Board also chooses who will carry out the huge undertaking of the day to day operations of the corporation. Our administrators have proven well up to the task and do a fantastic job.

It has been an honor to serve as a member of the Mooresville School Board for the past 20 years. I have seen many changes to the corporation through the years and I hope to continue to promote a positive atmosphere where students can learn and grow into responsible, productive leaders of the future.

Keep up that PIONEER PRIDE!
