

Return to Learn 2020-2021

Mooresville Pioneers Back to School Registration

We at Mooresville Schools are proud to have served as a cornerstone in our community for more than 150 years and especially to have served during the pandemic which forced the closure of our schools in March 2020. We have provided meals, internet connectivity, educational resources and learning opportunities, support for community entities, and countless other touchpoints of support for our families. Now, as we work toward a return to instruction for the 2020-2021 school year, we are equally committed to ensuring that every Mooresville student receives an outstanding educational experience with safety guidelines from national, state, and local authorities in place.

So all families and our schools may start the school year with information needed to provide the best experience possible, all families will need to complete Return to Learn online registration. In addition to annual back to school forms, this year's registration includes:

- **Student Education Plan:** Choose whether your child will learn in the classroom or online. Families choosing online learning will need to sign a contract regarding the student's available online resources, daily online attendance, and on-time completion of work.
- **COVID-19 Information:** Review and acknowledge receipt of information regarding COVID-19 and school guidelines.
- **Student Transportation Plan:** Register for your child's transportation plan for the year.
- **Family Services Information:** Let us know if any family services programs will help your student. Families who need assistance with school supplies will also pre-register for the School Supply Distribution to ensure enough supplies are available.

Parents will be notified when Return to Learn is posted on your child's Skyward account in mid-July. All families will need to complete this information for each student as soon as possible so the school district can work to assign classes, assign buses and routes, and more.

Return to Learn Questions may be directed to:

School Reentry Plans, COVID-19 Information: visit www.MooresvilleSchools.org to read our district and building plans, review Morgan County Health Department Guidance for Schools, read Commonly Asked Questions, and more.

New Student Enrollment: Please click on our Enrollment page at www.MooresvilleSchools.org. All paperwork can be submitted online. Registration should be completed as quickly as possible to ensure you receive all back to school communication.

School-Specific Questions: School-specific reopening plans will be sent out the week of July 13. Please email your school principal directly or message your school's Facebook page. The MHS office is also open weekdays from 8am-1pm for calls or lobby visits. All school offices will open beginning July 22 during normal school hours.

Transportation Questions: Call 317-831-9220 weekdays from 8a.m. to 2p.m.

Skyward Account Questions: Please email your name as well as your student's name and school to Skyward@MooresvilleSchools.org.
