## Name That Dune.

Countless names have rolled around this joint: Oasis Café, Sand Dollar, Bikini Bottoms – even a name that resembled wet money – but they have blown away like sand on a windy day. After a long winter of squabbling over what to name the newest beach bar in Wildwood: “Let’s just call it the Beach Bar.” “How ‘bout the Beach Bar on 25th Street, or maybe we call it the Wildwood Beach Bar?” “NO, NO, NO! I like the Sand Dollar Beach Bar.” “You are two of the most stubborn brothers! Just name the place Stubborn Brothers!” And like all oops-es in the family, a new name was born!

## SHAREABLES OR ALL-MINE-GET-YOUR-HANDS-OFF-ABLES!

**HOBBS’ GUACAMOLE** This house-made guacamole is the one thing our family can agree on. Share it with yours on some blue corn chips. **\$10**

**AVOCADO TOAST** Mom’s handing out extra brownie points for those willing to share this one. Toasted whole grain bread, avocado, roasted tomato, spring mix & balsamic vinaigrette. Sorry Mom, not gonna happen. **\$10**

**WILL’S PILOT WINGS** Put your taste buds in their upright position & prepare yourself for 7 golden fried chicken wings (plus 1 extra one for the thumb-wrestling champ). Smother ‘em in Buffalo or Mango BBQ sauce. **\$12**

**THAI CALAMARI** A delicious tie-breaker to any taste-bud stalemate. Tossed in sweet chili lime sauce. **\$12**

**CALIFORNIA CRUDITÉ** A healthy alternative for the beach-bod in the fam. Assorted seasonal vegetables with Green Goddess dip. Don’t judge the rest of us though. **\$9**

**POTSTICKERS** Uncle Barry always said, “That’s the pot calling the kettle delicious.” Steamed pork dumplings served with an Asian dipping sauce. Add edamame. **\$9 \$3**

**BAJA FISH TACOS** Every family needs something to taco ‘bout – we’ll give you the topic: Beer battered cod, Baja slaw & lime crema in flour tortillas. Discuss. **\$11**

**FISH & CHIPS** Fishing for a good compliment? This fish complements these fries nicely. You look good too. **\$11**

**PORK BELLY & PINEAPPLE SKEWER** Beer Belly? Pork Belly? Why choose when you can have both?! You’ll quickly agree that six-packs are overrated once you dig into these skewers served under a Teriyaki glaze. **\$10**

**CHICKEN TENDERS** For the finicky family member with the refined palate that loves a good chicken tender. Served with BBQ sauce or honey mustard or just as they are. **\$9**

**CHICKEN QUESADILLA** A delicious tortilla packed with seasoned chicken breast & cheddar jack cheese. This is family style, by which we mean, you decide who in your fam you share it with (if at all). **\$11**

**CHICKEN NACHOS** Black beans, cheese, pickled jalapeño, tomato, cilantro and crema. Yes, yes, yes, and yes please. Way to use those manners. And you’re welcome. **\$14**

**STEAMED EDAMAME** Mommy gets steamed if you don’t eat your veggies. Luckily, these guys taste more like fries from Mother Nature. **\$6**

## JACK’S INDECISIVE FRIES WILL CAME UP WITH THEM, JACK JUST TOOK THE CREDIT.

**ORIGINAL SHOESTRING FRIES**  
Mom always said, “Tie your shoes!” **\$6**  
She also said, “Dip those fries in cheddar cheese sauce” for another. **\$2.30**

**26TH STREET FRIES** Fries with some bite — just like that below-the-belt comment about the last person you brought home to meet the family. Tossed in Old Bay & served with white cheddar. **\$8.50**

**ZUCCHINI FRIES** Again with the veggies?! At least these are golden fried & delicious! Dip ‘em in a lemon Dijon sauce for extra credit. **\$8.50**

## STUBBORN SALADS YES, THEY HAVE THOSE ON THE BOARDWALK!

**THE SIBLING’S SIGNATURE** Like a tasty punch in the arm when Mom’s not looking! Field greens, strawberries, blueberries, goat cheese, candied pecans & house balsamic vinaigrette. **\$12**

**BRUTUS & CAESAR** The real betrayal was Brutus agreeing to and then not sharing this Classic Caesar salad. Tossed with hand-cut croutons. **\$10**

**QUINOA BOWL** Helping lil’ bros stand up to big bros one delicious & nutritious bowl at a time! Shaved brussels sprouts, arugula, candied pecans, & avocado with orange vinaigrette. **\$14**

And because everyone’s gotta have it their way! (Are we right, Mom?)

Chicken **\$5**  
Shrimp Skewer **\$7**

## HANDHELDS SERVED WITH CHIPS & A PICKLE.

**BUFFALO CHICKEN WRAP** There’s always a fiery one in the family, but don’t be chicken, this one doesn’t bite too hard. Crispy tenders tossed in Buffalo sauce with romaine, chopped celery & bleu cheese dressing. **\$11**

**TURKEY SANDWICH** And there’s usually a turkey in the fam too, but everything’s better with bacon. Served with some sprouts, tomato, avocado goat cheese spread & whole grain bread. **\$12**

**WATSON-A-BEYOND BURGER** Happy you asked! Pea-based vegetarian burger, melted brie, & topped with fig jam. Seriously, your cool aunt who spent that summer in Tuscany would tell you to order this one. **\$14**

**CRABBY CAKE** Feeling a little crabby today? Our jumbo lump house-made crab cake with lemon Dijon mustard will put a smile on any face. **\$16**

**CHICKEN PARM SANDWICH** This ain’t your Granny’s parm (sorry Nana!). Grilled chicken breast, oven roasted tomatoes, fresh mozzarella and balsamic mayo. It’s a Parm for the Gen-Millenn in the fam. **\$12**

**CALIFORNIA BURGER** Ok, we can all agree East Coast beats the left one, but this signature blend burger topped with cheddar cheese, house guacamole, lettuce and tomato is pretty darn delicious. Skip the guac. **\$14 \$12**

**FINLEY’S CLASSIC CHEESESTEAK** Extensively taste-tested by members of the Morey’s family – both 2 & 4-legged! Traditional Philly cheesesteak served wit or witout onions & peppers. **\$11**
