TERMS AND CONDITIONS

The following terms and conditions apply to the Education Extravaganza and class trips at Morey's Piers. If you have any questions prior to your visit, call our school programs coordinator at 609-522-3900, x. 1195, or email school.programs@moreyspiers.com.

- Bathing suits are required in the water park (no cut off shorts, etc.). Water shoes are NOT permitted in the water park. Students should pack a towel and change of dry clothes. They should not bring anything in glass containers (such as perfume, make up or body spray). Glass is not permitted in the water park.
- Students should wear shoes when walking on the boardwalk and the piers and while riding amusement rides. They should also bring a jacket as it is often cooler at the shore.
- Students should apply sunblock liberally and pack sunglasses and a hat to protect against the sun.
- Students should bring cash for locker rentals, snacks/ lunch, or souvenirs. Loose articles are not permitted on rides (including cell phones). Plan on renting a locker to safely secure valuables. The fee to rent a locker is \$10-15 depending on the size.
- Notify our staff in advance if you have any students with special needs.
- Any student that does not follow directions or that does anything that could be deemed unsafe to themselves or others will not be permitted to ride. We ask all parents to please determine if their child can act in a safe manner without constant adult supervisor. If their child cannot, the child should not be permitted to participate.
- Teachers must complete a Chaperone Contact Sheet and turn it to our event staff at check-in.
- All parents and chaperones must review Morey's Piers safety policies <https://www.moreyspiers.com/info/guest-services/policies-safety-1> and Morey's Piers Accessibility Guide www.moreyspiers.com/access with their students prior to the trip.

DURING YOUR VISIT

- Chaperones should use the buddy system with students in groups of 3. Students should be instructed that if they get separated from their buddies they should go to a designated check-in location (pick an easily identifiable location on the Pier, such as the Parents Pavilion or the Ferris wheel). Any student who is not certain where to go should look for a Morey's Piers supervisor. Supervisors are easily identifiable by their radios. Students can also go to any Guest Services or First Aid location. Students should carry their school ID with them or wear identifiable school t-shirts.
- Some pools are up to ten feet deep. Students must know their swimming level and limitations. New or weak swimmers or students with a history or seizures must wear lifejackets while in the Water Park.
- Students who are fearful of heights must avoid high rides. To make sure they are comfortable on a ride, students should observe rides/slides and read all instructional and warning signs before participating. Don't go on any ride or slide that you do not feel comfortable with. Wait for your buddies at the rides / slides exit.
- DO NOT RUN! Running can lead to slips, trips, and falls. Take your time when moving about the facility.
- While on the rides and slides,
 - ✓ Remain seated at all times and always follow operator instructions.
 - ✓ If you get scared while on a ride, stay calm, remain seated, and hold on tight. If possible, try to tell the operator to stop the ride. If not possible, just remain seated and hold on. Most rides only last around 2 minutes.
 - ✓ In the unlikely event that a ride stops in an unusual location, stay calm and remain seated. The ride can start moving at any time. Wait for instructions.

SPECIAL NOTE FOR CHAPERONES

As a chaperone you have been entrusted with the welfare and supervision of the students in your charge. Please take a moment to review these key points:
